

Attachment F – Retail Rate Comparison

Vistabeam's Retail Rates

Vistabeam offers the three primary service packages at the same rates for residential fiber service in all its fiber markets.

Residential Fiber 100:	100 Mbps x 100 Mbps	\$49.95/month
Residential Fiber 500:	500 Mbps x 500 Mbps	\$63.95/month
Residential Fiber 1G:	1 Gbps x 1 Gbps	\$79.95/month

Vistabeam will offer these same packages and rates in the project area.

The company publishes its retail fiber rates proudly on its public-facing website, which can be accessed at [Pricing & Fees - Vistabeam Internet](#).

Terms and Conditions

Vistabeam's retail offerings for residential fiber service are truly unlimited. These packages do **not** have:

- Usage caps,
- Early termination fees,
- Long-term contracts,
- Throttling after usage limits have been reached, or
- Metered pay-as-you-go rates.
