## Overview:

This sample project budget on the following page reflects an example of a budget submitted under the Devices and Technology Subprogram of the Precision Agriculture Infrastructure Grant (PRO-AG). An example template can be found on the final page.

Please note that budgets submitted must detail all allowable project-related costs and contributions. All costs must adhere to the guidelines outlined in the [PRO-AG Allowed and Disallowed Costs](#) document.

Only allowable expenses related to precision agriculture devices and technology should be included. Recurring expenses, such as maintenance, are not eligible for funding.
