

**Nebraska Central Telephone Company  
Rockville Village Limits Underserved  
Attachment C**

NCTC advertises and delivers speeds of 100/100 Mbps or greater throughout its territory. NCTC is working toward the goal of constructing a ubiquitous fiber network in its ILEC area.

**Speed Delivery Documentation**

Included in this Attachment C is NCTC's most recent FCC Form 477 filing. As of June 30, 2022, NCTC delivered speeds of 100/100 Mbps or greater to 19 subscribers. However, NCTC does have the ability to deliver those speeds to significantly more customers and anticipates more subscribers will take advantage of those speeds moving forward.

**Advertised Speed Documentation**

In addition to delivering 100/100 Mbps or greater speeds, NCTC clearly advertises those speeds on their public facing website. Included in this Attachment is a current website screenshot of NCTC's internet speed tiers, which does include advertised speeds of 100/100 Mbps or greater.

**List of documents included with Attachment C**

1. NCTC's most recent FCC Form 477 Filing; and
2. NCTC's currently advertised broadband speeds.

# Form 477 Filing Summary

# Internet Plans

DSL Internet Plans	Price per Month
Up to 25 Mbps Down x 5 Mbps Up	\$59.95
Up to 25 Mbps Down x 25 Mbps Up	\$69.95
Up to 50 Mbps Down x 50 Mbps Up	\$79.95
Up to 100 Mbps Down x 50 Mbps Up	\$99.95
Up to 100 Mbps Down x 100 Mbps Up	\$119.95

Additional plans available for specific needs. Please call 1-888-873-6282 for more information.

***Not all speeds are available in all areas.***

Fiber to the Home Data Only Plans	Price per Month
75 Mbps Down x 25 Mbps Up	\$74.95
300 Mbps Down x 50 Mbps Up	\$89.90
1 Gig Down x 250 Mbps Up*	\$110.90

*The Data Only fiber plans are available to our fiber customers and do not require a phone line or transport fee.*

Fiber to the Home Plans for Hamilton Telephone Subscribers	Price per Month
50 Mbps Down x 25 Mbps Up	\$49.95
250 Mbps Down x 50 Mbps Up	\$64.95
1 Gig Down x 250 Mbps Up*	\$89.90

***\* 1 Gig speed plan is not available in all areas.***

**FIBER TO THE HOME EXPANSION**

Hamilton Telecommunications was recently awarded several grants through the Nebraska Public Service Commission’s Broadband Bridge Grant Program. This additional funding will further enable Hamilton’s commitment to continue the construction to deliver fiber-to-the-home to 100 percent of former NCTC customers in Ansley, Arcadia, Burwell, Dannebrog, Rural Gibbon, Rural Ravenna, Sargent and additional rural areas within the service territory formerly served by NCTC. We have begun construction planning for the fiber network in these areas with the goal to complete mainline fiber construction in the grant areas by July 1, 2023. [Read more in our latest press release here.](#)

**Fiber Bundles**

Fiber Bundles are Coming Soon!

**Premium Home Wifi**

**Enjoy High Speed Wi-Fi in Every Corner of Your Home**

NCTC’s Premium Home Wi-Fi service utilizes access points installed in multiple locations throughout your home to boost Wi-Fi signals and speeds.

**Starting as low as \$9.98 per month for high speed Internet customers!** [Click here for more information](#)

**Computer Security Products**

**World-class security** – Fully-supported web security and anti-virus protects you against the latest online threats with find, locate, lock and wipe for your phone or tablet.

**Personal data backup** – Sync and back up all of your files, photos, contacts and important information against damage or device failure.

**Keep personal info private** – Cloud-based protection keeps your personal information secure and convenient wherever you are.

[Tech Home Options](#)

**A few tips on improving your WI-FI connectivity**

- Position your modem away from refrigerators, microwaves, baby monitors and other devices that emit electronic radiation.
- Keep your modem away from Bluetooth devices, which might operate on the same frequency.
- Avoid mirrors and reflective objects that can deflect router signals.
- Watch for furniture, doors and thick surfaces like concrete that can obstruct signals. Elevate the modem on a shelf or tall furniture.
- Password protect your Wi-Fi so others aren’t using your signal.
