

**Nebraska Central Telephone Company
Scotia Village Limits Underserved Match Source Documentation
Attachment L**

All of NCTC's required contributions to this project will be made in cash. NCTC and Hamilton have the funding available and are committing to completing this project in its entirety. Included in this attachment are a table that contains matching fund commitment by source and a signed letter certifying that monies available to fund our share of the project exist and will be dedicated to the project upon award.

Matching Fund Commitment by Source

Source	Amount
Cash	100%

**NEBRASKA BROADBAND BRIDGE PROGRAM
PROJECT MATCHING FUND CERTIFICATION**

John Nelson of Nedelco, Incorporated d/b/a Hamilton Telecommunications and Nebraska Central Telephone Company, hereby certifies that we have the funds necessary to satisfy the cash matching requirements set forth in this application for grant funds under the Nebraska Broadband Bridge Program.
