

[Northeast Nebraska Telephone Company] [Antelope County] [Attachment Letter M 1]

Match Percentage/Project Details/High-cost Designation

NNTC submits the following document (Attachment M_2) to demonstrate that all census blocks for the Antelope County project are designated as high-cost. Since all census blocks in the Antelope County project area are high-cost, NNTC is eligible for the lower match percentage (25%) for rural, high-cost areas.

Population Density

Based upon the attached map (Attachment A), the area that NNTC intends to serve with the Antelope County project is 70.6 square miles. By serving 111 locations as shown in Attachment B, the location density of the project area is 1.57 locations per square miles.

Speed Additive

NNTC will be able to provide 1000/1000 and 500/500 speeds upon request.
