

Northeast Nebraska Telephone Company - Bringing Fiber Fast Internet to Emerson - Attachment Letter F

Northeast Nebraska Telephone Company (NNTC) serves 4,600 internet customers in northeast Nebraska. All customers are offered the same price for all services: internet, TV and landline telephone. NNTC is a no contracts, no data caps provider. The company takes the guesswork out of picking a speed for customers and provides the fastest internet speeds available to all customers. The price is determined by data usage. All residential customers pay \$19.95 per month + 15 cents per GB of data, and all business customers pay \$27.50 per month + 15 cents per GB of data. The company offers “free usage days” at various points throughout the year to give opportunities to customers to download a large video game or a 4k movie, for example. NNTC advertises speeds up to 1 GB, upload and download, with a minimum connection of 100/100 Mbps. NNTC will provide the same retail rates in the project area that are provided in the existing service area.
