Introducing UNLIMITED Broadband Only..... NO Phone Required.... NO additional taxes or fees!

Stanton Telecom is excited to NOW offer UNLIMITED broadband with NO home phone requirements. Even better news.... You can receive a gigabit of UNLIMITED Internet service through our Fiber Optic Network.

[Click here to check your Internet speed using our HTML5 Speedtest page.](#) Speed results may be affected by the performance of the device, other running applications, and other devices connected to your network. For better performance, ensure router and other devices are gigabit compatible and capable of Wi-Fi 6 during wireless connectivity. Older devices may be limited to 100 Mbps.
