

Nebraska Broadband Bridge Program

Company: Skywave Wireless, Inc.

Project: SE of West Point

Document: Attachment L

Skywave intends to fund all of the matching funds internally for this project. If any additional local funds are discovered to be available after the submission of this application, use of them would be considered. Justification for the rates used in estimating project costs are based on rates that Skywave charges customers when doing contract work and approximate industry rates observed in the area.

Fund Source	Amount
Skywave	\$141,130 (55%)
NBBP	\$115,470 (45%)
Total	\$256,600
