) Entered: June 8, 2021

BY THE COMMISSION:

On May 25, 2021, the Commission entered an order approving Black Hills' proposal submitted in this docket for recovery of costs incurred due to the February 2021 cold weather event. In this May 25 order, the dates listed for inclusion in the cost recovery mechanism incorrectly listed February 13-18, 2021, rather than the correct dates of February 12-18, 2021, as set forth in Black Hills' submitted proposal. The Commission enters this order nunc pro tunc to correct the following errors: the date "February 13" found on page 1, paragraph 3 of the May 25th order shall be stricken and replaced with "February 12"; and the dates "February 13-18, 2021" found on page 3, paragraphs 3, 4, and 5 of the May 25th order shall be stricken and each instance replaced with "February 12-18, 2021."

The purpose of an order nunc pro tunc is to correct the record which has been made so that it will truly record the action taken which, through inadvertence or mistake, was not truly recorded. Interstate Printing Co. v. Dept. of Revenue, 236 Neb. 110, 459 N.W.2d 519 (1990). Clerical errors may be corrected by an order nunc pro tunc, but not judicial errors. Larson v. Bedke, 211 Neb. 247, 318 N.W.2d 253 (1982). The Commission finds that the intent of the May 25th order was to approve the dates set forth in Black Hills' recovery proposal, and that the errors listed above were clerical in nature and not intended to change the nature of the cost recovery mechanism as proposed by Black Hills.
