I/We DO NOT support the providers application because:

MAR 16 2023

Received & Scanned

I/We support the provider's application because (select any that apply):

- The proposed service area is not able to receive reliable broadband service of 25/3 Mbps or greater.
- The proposed service area is not able to receive reliable broadband service of 100/20 Mbps or greater.
- The proposed project would result in the entire community having access to high-speed internet at 100/100 Mbps.
- The proposed service provider has consulted with the community in relation to community needs and affordability of the proposed service plans.
- Other reasons (please complete below)

Comments:

There is not currently stable reliable Internet, The current offerings are not reliable during bad weather, signal is broadcast from Pilger water tower 1 1/2 miles away. Current offerings will not support 4/cdm systems due to instability

Please feel free to include supplemental information regarding the proposed project as attachments to this form.
