I/We DO NOT support the providers application because: (Charter/Spectrum)

The first year we lived in Nebraska (2007), we had Internet service from both Dalton Tel + KCF. KCF was always going down and their excuse was there must be a cow on the hill between the Lodgepole Elevator and their receiver in Sterling. We dropped KCF after the first year and kept Dalton Tel. Dalton goes down occasionally and they typically respond promptly. Therefore, I support Dalton Tel's application for the Broadband Grant.

Knowing the troubles several of our children have experienced with Charter's (Spectrum) service, I would not and do not support their grant application.

I/We support the provider's application because (select any that apply): (Denton Te)
