I/We DO NOT support the providers application because:

I/We support the provider's application because (select any that apply):

- The proposed service area is not able to receive reliable broadband service of 25/3 Mbps or greater.
- The proposed service area is not able to receive reliable broadband service of 100/20 Mbps or greater.
- The proposed project would result in the entire community having access to high-speed internet at 100/100 Mbps.
- The proposed service provider has consulted with the community in relation to community needs and affordability of the proposed service plans.
- Other reasons (please complete below)

Comments:

Access to high speed internet is imperative to community and economic development, especially in rural areas of our state.

Therefore, I wholeheartedly support this application and others that will bring this vital service to areas of my county and to the constituents that I serve.

Thank you.

Please feel free to include supplemental information regarding the proposed project as attachments to this form.
