

A funding breakdown for the grant must be attached in Excel format. This should include a proposed budget reflecting a clear and detailed breakdown of cost elements based on total allowable project costs. Any disallowed expenses must be adjusted from the total projects costs to determine total allowable costs for calculating the grant amount requested and required match percentage. This should also include the total grant amount requested and detail any matching funds committed.

Please see the funding breakdown in **Attachment H-1** and Budget Summary in **Attachment H-2**.
