

**Attachment L**

**Grantor Request**

Match source documentation: A table detailing the confirmed matching fund commitments by source must be included. Documentation of the match source(s) should also be provided. This could include but is not limited to a signed contribution certification for community partner match, NUSF census block information (in Excel format), documentation regarding timeline for RDOF deployment, justification for the value of any in-kind contributions such as labor, equipment, and inventory on hand.

**Applicant Response**

<b>Match Source</b>	<b>Match Amount</b>
Nextlink Operating Cash Flows or Revolving Debt Financing	<b>\$159,229.63</b>

Nextlink anticipates using operating cash flows or its revolving line of credit as its source of the match.
