SECTION 2 - RULES AND REGULATIONS**2.1 Undertaking of Aero Communications, LLC**

Aero's services offered pursuant to this Tariff are furnished for Local Exchange Service among specified points within a Local Calling Area. Aero may offer these services over its own or resold facilities. Aero installs, operates, and maintains the communications services provided herein under in accordance with the terms and conditions set forth under this tariff. Aero may act as the Customer's agent for ordering access connection facilities provided by other carriers or entities as required in the Commission's rules and orders, when authorized by the Customer, to allow connection of a Customer's location to the Aero network. The Customer shall be responsible for all charges due for such service arrangement. The Company's services and facilities are provided on a monthly basis unless otherwise indicated, and are available twenty-four hours per day, seven days per week.

2.2 Limitations

2.2.1 Service is offered subject to the availability of the necessary facilities and equipment, and subject to the provisions of this tariff.

2.2.2 Aero reserves the right to discontinue or limit service when necessitated by conditions beyond its control, or when the Customer is using service in violation of provisions of this tariff, or in violation of the law.

2.2.3 The Company does not undertake to transmit messages but offers the use of its facilities when available, and will not be liable for errors in transmission or for failure to establish connections.

2.2.4 All facilities provided under this tariff are directly controlled by Aero and the Customer may not transfer or assign the use of service or facilities without the express written consent of the Company. Such transfer or assignment shall only apply where there is no interruption of the use or location of the service or facilities.

2.2.5 Prior written permission from the Company is required before any assignment or transfer. All regulations and conditions contained in this tariff shall apply to all such permitted assignees or transferees, as well as all conditions of service.

2.3 Use

Services provided under this tariff may be used for any lawful purpose for which the service is technically suited.

SECTION 2 - RULES AND REGULATIONS (cont'd)

2.4 Liabilities of the Company

2.4.1 Aero's liability for damages arising out of mistakes, interruptions, omissions, delays, errors, or defects in transmission which occur in the course of furnishing service or facilities, in no event shall exceed an amount equivalent to the proportionate charge to the Customer for the period during which the faults in transmission occur.

2.4.2 The Company shall not be liable for claim or loss, expense or damage (including indirect, special or consequential damage), for any interruption, delay, error, omission, or defect in any service, facility, or transmission provided under this tariff, if caused by any person or entity other than the Company, by any malfunction of any service or facility provided by any other carrier, by an act of God, fire, war, civil disturbance, or act of government, or by any other cause beyond the Company's direct control.

2.4.3 The Company shall not be liable for, and shall be fully indemnified and held harmless by Customer against any claim or loss, expense, or damage (including indirect, special or consequential damage) for defamation, libel, slander, invasion, infringement of copy-right or patent, unauthorized use of any trademark, trade name, or service mark, unfair competition, interference with or misappropriation or violation of any contract, proprietary or creative right, or any other injury to any person, property or entity arising out of the material, data, information, or other content revealed to, transmitted, or used by the Company under this tariff, or for any act or omission of the Customer- or for any personal injury or death of any person caused directly or indirectly by the installation, maintenance, location, condition, operation, failure, presence, use or removal of equipment or wiring provided by the Company, if not directly caused by negligence of the Company.

2.4.4 No agent or employee of any other carrier shall be deemed to be an agent or employee of the Company.

2.4.5 The Company shall not be liable for any defacement of or damages to the premises of a Customer resulting from the furnishing of service which is not the direct result of the Company's negligence.

SECTION 2 - RULES AND REGULATIONS (cont'd)

2.5 Deposits

2.5.1 The Company does not normally collect deposits from Customers. However, deposits may be required from Customers whose credit history is unacceptable or unavailable. Deposits are collected in accordance with the rules of the Commission.

2.6 Advance Payments

Recurring Charges: For Customers from whom the Company feels an advance payment is necessary, Aero reserves the right to collect an amount not to exceed one (1) month's estimated charges as an advance payment for service. This will be applied against the next month's charges and a new advance payment may be collected for the next month.

Non-Recurring Charges: AERO reserves the right to require pre-payment of non-recurring charges in such amount as may be deemed necessary by the Company. In addition, where special construction is involved, advance payment of the quoted construction charges may be required at the time of application for service.

2.7 Taxes

All state and local taxes (including but not limited to franchise fees, excise tax, sales tax, municipal utilities tax) are listed as separate line items and are not included in the quoted rates.

2.8 Equipment

2.8.1 The Company's facilities and service may be used with or terminated in Customer-provided terminal equipment or Customer-provided communications systems, such as a PBX, key systems or Pay Telephone. Such terminal equipment shall be furnished and maintained at the expense of the Customer except as otherwise provided. The Customer is responsible for all costs at his or her premises, including personnel, wiring, electrical power, and the like, incurred in the use of the Company's service. The Customer is responsible for ensuring that customer-provided equipment connected to Company equipment and facilities is compatible with such equipment and facilities.

2.8.2 The Company shall use reasonable efforts to maintain facilities and equipment that it furnishes to the Customer. The Customer may not, nor may the Customer permit others, to disconnect, rearrange, remove, attempt to repair or otherwise interfere with any of the facilities or equipment installed by the Company, except upon the written consent of the Company.

2.8.3 Equipment the Company provides or installs at the Customer premises is solely for use in connection with Company's services. The equipment shall not be used for any purpose other than that for which the Company provided it.

SECTION 2 - RULES AND REGULATIONS (cont'd)

2.8 Equipment (cont'd)

2.8.4 The Customer shall be responsible for payment of service charges, as set forth herein, for visits by the Company's agents or employees to the premises of the Customer when the service difficulty or trouble report results from the use of equipment or facilities provided by any party other than the Company, including but not limited to the Customer.

2.8.5 The Company shall not be responsible for the installation, operation or maintenance of any customer-provided equipment. Where such equipment is connected to the facilities furnished pursuant to this tariff, the responsibility of the Company shall be limited to the furnishing of facilities offered under this tariff and to the maintenance and operation of such facilities. Subject to this responsibility, the Company shall not be responsible for the transmission of signals by customer-provided equipment or for the quality of, or defects in, such transmission; or the reception of signals by customer-provided equipment.

2.8.6 Upon reasonable notification to the Customer and at a reasonable time, the Company may make such tests and inspections as may be necessary to determine that the customer is complying with the requirements set forth in the section for the installation, operation and maintenance of customer-provided facilities, equipment and wiring in the connection of such facilities and equipment to Company-provided facilities and equipment.

2.8.7 Title to all facilities provided by the Company under this tariff shall remain in the Company's name or in the name of the carrier supplying the services and facilities being resold.

2.9 Installation

Service is installed upon mutual agreement between the Customer and the Company. The service agreement does not alter rates specified in this tariff. Any conflicts between a service agreement and tariff will be resolved by following the rates, terms, conditions, etc. effective as approved by the Commission in this tariff.

SECTION 2 - RULES AND REGULATIONS (cont'd)**2.10 Payment for Service**

The Customer is responsible for payment of all charges for services and equipment furnished to the Customer or to an Authorized User of the Customer by Aero. All charges due by the Customer are payable to the Company or to any agency duly authorized to receive such payments. Terms of payment shall be according to the rules and regulations of the agency and subject to the rules of regulatory agencies, such as the Nebraska Public Service Commission. Aero's billing invoices will be considered correct and binding upon the Customer if no written notice is received from the Customer within thirty (30) days of the date of the invoice. Adjustments to Customer's bills shall be made to the extent circumstances exist which reasonably indicate that such changes are appropriate. Upon receipt of a billing inquiry, charges involved in the disputed element(s) of the invoice will be temporarily suspended pending resolution of the dispute. The Customer, however, remains responsible for the timely payment of the non-disputed elements of the invoice. If a Customer is not satisfied with the Company's response to an inquiry or request for credit, he or she may appeal to the Nebraska Public Service Commission for final resolution.

2.11 Late Payment Charge

Aero will assess a late payment charge equal to 1.5% for any past due balance that exceeds thirty days. A late payment penalty may be assessed only once on any bill for rendered services.

2.12 Cancellation by Customer

Customer may cancel service by providing 30 days written notice to the Company.

2.13 Interconnection

Service furnished by Aero may be connected with the services or facilities of other carriers or enhanced service providers. The Customer is responsible for all charges billed by these entities for use in connection with Aero's service. Any special interface equipment or facilities necessary to achieve compatibility between these entities is the responsibility of the Customer. Neither the Company nor any connecting carrier participating in a service shall be liable for any act or omission of any other company or companies furnishing a portion of such service.

SECTION 2 - RULES AND REGULATIONS (cont'd)

2.14 Refusal or Discontinuance by Company

Aero may refuse or discontinue service under the following conditions unless such condition contradicts Nebraska law, in which case Nebraska law applies:

2.14.1 For non-compliance with or violation of any State, municipal, or Federal law, ordinance or regulation pertaining to telephone service.

2.14.2 For use of telephone service or any other Company property for purposes other than that described in the application for service.

2.14.3 For neglect or refusal to provide reasonable access to Aero or its agents for the purpose of inspection and maintenance of equipment owned by Aero or agents.

2.14.4 For noncompliance with or violation of Commission regulation or Aero's rules and regulations on file with the Commission, provided ten days written notice is given before termination.

2.14.5 For nonpayment of bills, including bills for any of the Company's other communication services, provided that suspension or termination of service shall not be made without seven days written notice to the Customer, except in extreme cases.

2.14.6 Without notice in the event of Customer or Authorized User use of equipment in such a manner as to adversely affect Aero's equipment or service to others. Within twenty-four (24) hours after such termination, the utility shall send written notification to the customer of the reasons for termination or refusal of service upon which the utility relies, and of the customer's right to challenge the termination by filing a formal complaint with the Commission.

2.14.7 Without notice in the event of tampering with the equipment or services owned by Aero or its agents. Within twenty-four (24) hours after such termination, the utility shall send written notification to the customer of the reasons for termination or refusal of service upon which the utility relies, and of the customer's right to challenge the termination by filing a formal complaint with the Commission.

2.14.8 Without notice in the event of unauthorized or fraudulent use of service. Whenever service is discontinued for fraudulent use of service, AERO may, before restoring service, require the Customer to make, at his or her own expense, all changes in facilities or equipment necessary to eliminate illegal use and to pay an amount reasonably estimated as the loss in revenues resulting from such fraudulent use. Within twenty-four (24) hours after such termination, the utility shall send written notification to the customer of the reasons for termination or refusal of service upon which the utility relies, and of the customer's right to challenge the termination by filing a formal complaint with the Commission.

SECTION 2 - RULES AND REGULATIONS (cont'd)**2.15 Inspection, Testing, and Adjustment**

Upon reasonable notice, the facilities provided by the Company shall be made available to the Company for tests and adjustments as may be deemed necessary by the Company for maintenance. No interruption allowance will be granted for the time during which such tests and adjustments are made.

2.16 Tests, Pilots, Promotional Campaigns and Contests

The Company may conduct special tests or pilot programs and promotions at its discretion, to demonstrate the ease of use, quality of service and to promote the sale of its services. The Company may also waive a portion or all processing fees or installation fees for winners of contests and other occasional promotional events sponsored or endorsed by the Company. From time to time, the Company may waive all processing fees for a Customer. The Company will notify the Commission regarding specific promotions and contests.

2.17 Interruption of Service

Credit allowances for interruptions of service which are not due to the Company's testing or adjusting, to the negligence of the Customer, or to the failure of channels, equipment or communications Systems provided by the Customer, are subject to the general liability provisions set forth in Section 2.4 herein. It shall be the obligation of the Customer to notify Company immediately of any interruption in service for which a credit allowance is desired by Customer. Before giving such notice, Customer shall ascertain that the trouble is not within his or her control, or is not in wiring or equipment, if any, furnished by Customer and connected to Company's terminal. Interruptions caused by Customer-provided or Company-provided automatic dialing equipment are not deemed an interruption of service as defined herein because the Customer has the option of using the long distance network via local exchange company access.

2.18 Cost of Collection and Repair

The Customer is responsible for any and all costs incurred in the collection of monies due the Carrier including legal and accounting expenses. Customer is also responsible for recovery costs of Carrier-provided equipment and any expenses required for repair or replacement of damaged equipment.

2.19 Returned Check Charges

A fee of \$20.00, or five percent of the amount of the check, whichever is greater, may be charged for each check returned for insufficient funds.

2.20 Service Implementation

Absent a promotional offering, service implementation charges of \$15.00 per service order apply to new service order or to orders to change existing service for the business services listed in Section 3.

2.21 Reconnection Charge

A reconnection fee of \$25.00 per occurrence may be charged when service is re-established for customers who have been disconnected for non-payment, and is payable at the time that the restoration of suspended service and facilities is arranged.

SECTION 2 - RULES AND REGULATIONS (cont'd)

2.22 Operator Service Rules

The Company will enforce the operator service rules specified by the Commission and by the FCC.

2.23 Access to Telephone Relay Services

Where required by the Commission, the Company will participate in telephone relay services for handicapped and/or hearing impaired end users, and will comply with all regulations and requirements. The Company shall impose any monthly surcharge or any other related charge upon its local exchange telecommunications subscribers as may be required by state law.

2.24 Access to Carrier of Choice

End users of the Company's local service shall have the right to select the interexchange telecommunications service provider (IC) of their choice. The IC should request confirmations/verifications of choice from its customers no later than the date of submission of its first bill to the customer. Aero should maintain signed letters of agency or confirmations of choice on file for use in dispute resolution.

2.25 Directory Listings

2.25.1 The Company does not publish a directory of subscriber listings. The Company, however, does arrange for the Customer's main billing number to be placed in the directory or directories of the incumbent local exchange carrier.

2.25.2 The rates and regulations specified herein for directory listings apply only to the alphabetical section of the directory. Listings are intended solely for the purpose of identifying subscriber's telephone number and as an aid to the use of telephone service.

2.25.3 The listings of subscribers, either without charge or at the rate specified within this tariff for other listings are arranged alphabetically and are not intended for special prominence of arrangement. In accepting listings as requested by subscribers or prospective subscribers, the Company will not be a party to controversies between subscribers as result of the publication of such listings in the directories.

2.25.4 Listings must conform to the Company's specifications with respect to the directories. The Company reserves the right to reject listings when in, its sole judgment, such listings would violate the integrity of company records and the directories, confuse individuals using the directory, or when the customer cannot provide satisfactory evidence that he is authorized to do business as requested.

SECTION 2 - RULES AND REGULATIONS (cont'd)

2.25 Directory Listings (cont'd)

2.25.5 The Company reserves the right to limit the length of any listing to one line in the directory by use of abbreviations when, in its sole judgment, the clarity of the listing and the identification of the subscriber is not impaired.

2.25.6 Generally, the listed address is the location of the subscriber's place of business or residence.

2.25.7 Liability of the Company due to directory errors and omissions is as specified in Section 2 of this tariff.

2.25.8 Generally, a business listing consists of a name or dual name, a designation descriptive of the subscriber's business if not self-explanatory, the address, and the business telephone number. The main listing is ordinarily the name of the individual, firm or corporation which contracts for the service or the name under which a business is regularly conducted.

2.26 Special Construction

Subject to the agreement of the Company and to all of the regulations contained in this tariff, special construction of facilities may be undertaken on a reasonable efforts basis at the request of the Customer. Special construction is construction undertaken:

A) where facilities are not presently available, and there is no other requirement for the facilities so constructed;

B) of a type other than that which the Company would "normally" utilize in the furnishing of its services;

C) over a route other than that which the Company would normally utilize in the furnishing of its services;

D) in a quantity greater than that which the Company would normally construct;

E) on an expedited basis;

F) on a temporary basis until permanent facilities are available;

G) involving abnormal costs; or

H) in advance of its normal construction schedule.

SECTION 2 - RULES AND REGULATIONS (cont'd)

2.27 Universal Emergency Telephone Number Service(911,E911)

2.27.1 This tariff does not provide for the inspection or constant monitoring of facilities to discover errors, defects, or malfunctions in the service, nor does the Company undertake such responsibility.

2.27.2 911 information consisting of the names, addresses and telephone numbers of all telephone customers is confidential. The Company will release such information via the Data Management System only after a 911 call has been received, on a call by call basis, only for the purpose of responding to an emergency call in progress.

2.27.3 The 911 calling party, by dialing 911, waives the privacy afforded by non-listed and non-published service to the extent that the telephone number, name, and address associated with the originating station location are furnished to the Public Safety Answering Point.

2.27.4 After the establishment of service, it is the Public Safety Agency's responsibility to continue to verify the accuracy of and to advise the Company of any changes as they occur in street names, establishment of new streets, changes in address numbers used on existing streets, closing and abandonment of streets, changes in police, fire, ambulance or other appropriate agencies' jurisdiction over any address, annexations and other changes in municipal and county boundaries, incorporation of new cities or any other similar matter that may affect the routing of 911 calls to the proper Public Safety Answering Point.

SECTION 2 - RULES AND REGULATIONS (cont'd)

2.27 Universal Emergency Telephone Number Service (911,E911) (cont'd)

- 2.27.5 The Company assumes no liability for any infringement or invasion of any right of privacy of any person or persons caused, or claimed to be caused, directly or indirectly by the use of 911 Service. Under the terms of this tariff, the Public Safety Agency must agree, (except where the events, incidents, or eventualities set forth in this sentence are the result of the Company's gross negligence or willful misconduct), to release, indemnify, defend and hold harmless the Company from any and all losses or claims whatsoever, whether suffered, made, instituted, or asserted by the Public Safety Agency or by any other party or person, for any personal injury to or death of any person or persons, or for any loss, damage, or destruction of any property, whether owned by the customer or others. Under the terms of this tariff, the Public Safety Agency must also agree to release, indemnify, defend and hold harmless the Company for any infringement of invasion of the right of privacy of any person or persons caused or claimed to have been caused, directly or indirectly, by the installation, operation, failure to operate, maintenance, removal, presence, condition, occasion, or use of 911 Service features and the equipment associated therewith, or by any services furnished by the Company in connection therewith, including, but not limited to, the identification of the telephone number, address, or name associated with the telephone used by the party or parties accessing 911 Service hereunder, and which arise out of the negligence or other wrongful act of the Public Safety Agency, its user, agencies or municipalities, or the employees or agents of any one of them, or which arise out of the negligence, other than gross negligence or willful misconduct, of the Company, its employees or agents.

SECTION 2 - RULES AND REGULATIONS (cont'd)

2.28 Telephone Assistance Programs(cont'd)

2.28.1 General (Cont'd)

- A. The low-income programs are funded through voluntary contributions from Nebraska customers.
- B. The Telephone Company's verification through the Department of Human Services or, in lieu of electronic verification, applicant's signature on the form contained in Part 757 as Exhibit E, shall constitute proof of income eligibility.
- C. The low-income assistance shall be available to only one access line per low-income household.

2.28.2 Supplemental Link-Up Assistance

A one-time credit of up to \$10.00, not to exceed 50% of the connection charge, will be applied to each new eligible customer.

2.28.3 Supplemental Lifeline Assistance

Eligible customers may receive a discount of \$1.20 on their monthly telephone service.

2.28.4 Voluntary Contributions

- A. Customers wishing to participate in the funding of UTSAP may do so by electing to contribute, on a monthly basis, a fixed amount to be included by the Company on the Customer's monthly bill. The voluntary contribution shall not reduce the Customer's total monthly bill amount due the Company for telephone services or other charges.

- (1) Residential Customers may elect to contribute:

- (a) \$0.50
- (b) \$1.00
- (c) \$2.00

SECTION 3 - DESCRIPTION OF SERVICE**3.1 Local Service Areas**

Aero concurs in the maps and legal descriptions of Qwest Communications on file with the Commission.

3.2 Product Descriptions**3.2.1 Timing of Calls - Usage-Sensitive Products**

3.2.1.A Usage charges for usage-sensitive products are based on the actual usage of Aero's network. The Company will determine that a call has been established by signal from the local telephone Company.

3.2.1.B Minimum billed call duration and billing increments differ from product to product. Product specific information is included in Section 4 of the Rate Schedules.

3.2.1.C Usage is measured and rounded to the next higher billing increment for billing purposes.

3.2.1.D There is no usage-based billing applied for incomplete calls.

3.2.2 Aero Residential Services

Aero's Residential Services are offered for local calling using the facilities of Aero and/or those of other authorized Local Exchange Carriers. Aero's Residential Services are offered to phones used exclusively for home use, no home office or other business use is allowed. Aero reserves the right to terminate service to any customer subscribing to residential service for a business purpose.

3.2.3 Aero Business Services

Aero's Business Services are offered for local calling using the facilities of Aero and/or those of other authorized Local Exchange Carriers. Aero's Business Services are offered primarily to the following:

1. Offices, stores, factories, mines and all other places of a strictly business nature;
2. Offices of hotels, boarding houses, apartment houses, colleges, quarters occupied by clubs and fraternal societies, public, private or parochial schools, hospitals, nursing homes, libraries, churches, and other institutions, and
3. Services terminating solely on the secretarial facilities of a telephone answering bureau.

If a Subscriber's service changes from business service to residential service, the telephone number will normally be changed. Reference of calls will not normally be provided regardless of how long existing directories will remain in effect. Changes from residential to business service may be made without change in telephone number, if the subscriber so desires.

SECTION 3 - DESCRIPTION OF SERVICE (cont'd)

3.2 Product Descriptions (cont'd)

3.2.2 Aero Business Services (cont'd)

3.2.2.A Business Exchange Line Service

Business Exchange Line Service provides a facility from a Customer's location to the Aero Central Office and gives the Customer the ability to complete local and long distance calls. This service provides Customer with unlimited local calling, including rotary/hunting service, at a flat monthly rate. Special rates are offered to customers who purchase this service in conjunction with Aero's Business long distance products. Options available with Business Exchange Line Service include Call Waiting, Call Forwarding, Three-way Calling and Speed Dialing, as well as Class Features. Installation charges apply.

3.2.3 Directory Listings

For each Customer of Aero's Exchange Access Service(s), the Company shall arrange for the listing of the Customer's main billing telephone number in the directory(ies) published by the dominant Local Exchange Carrier in the area at no additional charge. At a Customer's option, the Company will arrange for additional listings at an additional charge.

3.2.4 Operator-Assisted Services

Operator-assisted services are provided to Business and Residential Customers on a presubscribed basis. Services are also provided to Customers and Users of exchange access lines which are presubscribed to the Company's interexchange outbound calling services. Various billing arrangements are available with Aero's operator-assisted service including Calling Card, Commercial Credit Card, Collect, Person-to-Person and Third Party. Monthly and/or usage-sensitive charges apply as stated in Section 4, including per call operator charges.

3.2.4.A Operator Dialed Surcharge

This surcharge applies to Operator Station and Person-to-Person rated calls when the Customer has the capability of dialing all the digits necessary to complete a call, but elects to dial only the appropriate operator code and requests the operator to dial the called station. The surcharge does not apply to:

- 1) Calls where a Customer cannot otherwise dial the call due to defective equipment or trouble on the Aero network;
- 2) Calls in which a Company operator places a call for a calling party who is identified as being handicapped and unable to dial the call because of his/her handicap.

The Operator Dialed Surcharge applies in addition to any other applicable operator charges.

SECTION 3 - DESCRIPTION OF SERVICE (cont'd)

3.2 Product Descriptions (cont'd)

3.2.4 Operator-Assisted Services

3.2.4.B Busy Line Verify and Line Interrupt Service

Upon request of a calling party, the Company will verify a busy condition on a called line. The operator will determine whether the line is clear or in use and report its status to the calling party. The operator will interrupt the call on the called line only if the calling party indicates an emergency and requests interruption.

A charge will apply when:

- 1) The operator verifies that the line is busy with a call in progress;
- 2) The operator verifies that the line is unavailable for incoming calls; or
- 3) The operator verifies that the called number is busy with a call in progress and the customer requests interruption. The operator will then interrupt the call, advising the called party of the name of the calling party. One charge will apply for both verification and interruption.

No charge will apply when:

- 1) The calling party advises that the call is to or from an official public emergency agency; or
- 2) Under conditions other than the three stated above. Busy Verification and Interrupt service is furnished where and to the extent that facilities permit. The Customer shall indemnify and hold the Company harmless against all claims that may arise from either party to the interrupted call or by person.

SECTION 3 - DESCRIPTION OF SERVICE (cont'd)

3.2 Product Descriptions (cont'd)

3.2.5 Directory Assistance (cont'd)

A credit will be given for calls to Directory Assistance when:

1. The Customer experiences poor transmission or is cut-off during the call,
2. The Customer is given an incorrect telephone number, or
3. The Customer inadvertently misdials an incorrect Directory Assistance NPA.

To receive a credit, the customer must notify the Company operator or Business Office of the problem experienced.

Exemptions:

1. Residential Customers are exempt from Directory Assistance charges.
2. The single-line main telephone exchange line of a handicapped user, as defined by the Federal Register, Vol. 35 #126, which has been registered with the Company will be exempt from Directory Assistance charges.
3. Directory Assistance attempts to telephone numbers which are non-listed or non-listed and non-published are exempt from the rate, and shall not be included in the ten call allowance.

3.2.6 Extended and Expanded Area Calling Services

Extended and Expanded Area Calling Service allows the Customer to make calls to specific NXX codes within designated exchanges outside the Customer's Local Calling Area without paying intraLATA toll rates. The Customer is billed per call according to the duration of the call. Aero will mirror all existing extended and expanded calling areas the ILEC currently has in place for facilities-based or resold services.

3.2.6 Calling Features

Calling features such as caller identification, call forwarding, etc. are available. As the underlying provider for these services is the incumbent local exchange carrier, descriptions and terms of service can be found in the appropriate incumbent's tariffs, specifically Section A13. Miscellaneous Service Arrangements in BellSouth PSC KY. Tariff 2A, pages 1-56.
