

## **MOBIUS\_BRIDGE GRANT DAWES COUNTY\_ D\_1**

### **Attachment D**

#### **Noncontiguous**

Mobius Communications Company will not be contiguous for the Dawes County Grant. There is an area between the Chadron Municipal Airport and where we will begin our buried fiber on Bordeaux Road. We have not made a commitment to that area. There are details that would need to be worked out with the City of Chadron, and that has not been decided at this point. Upon a positive Nebraska Broadband Bridge Grant award we will then make our final engineered plan. This will not be a part of the grant; this will be taken care of by Mobius Communications Company.
