Thomas Golden, Executive Director
Nebraska Public Service Commission
1200 N Street, 300 Atrium
Lincoln, NE 68508

Dear Mr. Golden:

Pursuant to Sections 66-1808 and 66-1854 of the State Natural Gas Regulation Act of Nebraska (Neb. Rev. Stats. §§ 66-1801 et seq.), and the Commission's September 9, 2003 Order in Commission Application No. NG-004, Black Hills Nebraska Gas, LLC d/b/a Black Hills Energy ("Black Hills Energy"), submits the Thirty-Sixth Revised Sheet No. 95, which details the factors in the Gas Cost Adjustment for each of Black Hills Energy's Rate Areas One, Two, and Three.

The attached confidential computations are submitted in support of the gas supply cost adjustments affecting volumes delivered to Black Hills Energy's customers on or after January 1, 2023. The attached Schedule A reflects spot market and gas purchase costs effective January 1, 2023.

The entitlement rate detailed on Schedule A has been updated with revised rates from Northern Natural Gas Company's proceeding before the Federal Energy Regulatory Commission (FERC). In the FERC proceeding (Docket RP22-1033), by its July 29, 2022 Order, FERC suspended the tariffs for five months to be effective January 1, 2023, subject to refund.

This filing does not address incremental extraordinary gas supply related to the unique and extreme weather event experienced by Black Hills Energy during February 2021. In addition to the GCA rate and consistent with the Commission's order in Docket No. NG-111.1, Black Hills Energy implemented a separate recovery rate for these costs beginning in July 2021.

The total impact on the Gas Cost Adjustment is as follows:

	<u>Incr/(Decr)</u> <u>\$/Therm</u>
Rate Areas One, Two, and Three	\$0.12867

If you have any questions, please feel free to contact me.

Respectfully submitted,

/s/ Nancy A Vernon

Nancy A Vernon
