February 25, 2021

Mike Hybl, Executive Director
Nebraska Public Service Commission
1200 N Street, 300 Atrium
Lincoln, NE 68508

Dear Mr. Hybl:

Pursuant to Sections 66-1808 and 66-1854 of the State Natural Gas Regulation Act of Nebraska (Neb. Rev. Stats. §§ 66-1801 et seq.), and the Commission's September 9, 2003 Order in Commission Application No. NG-004, Black Hills Nebraska Gas, LLC d/b/a Black Hills Energy, submits the Fourteenth Revised Sheet No. 95, which details the factors in the Gas Cost Adjustment for each of Black Hills Energy's Rate Areas One, Two, and Three.

The attached confidential computations are submitted in support of the gas supply cost adjustments affecting volumes delivered to Black Hills Energy's customers on or after March 1, 2021. The attached Schedule A reflects spot market and gas purchase costs effective March 1, 2021.

This filing does not address incremental extraordinary gas supply and interstate natural gas pipeline costs related to the unique and extreme weather event experienced by Black Hills Energy during February. Black Hills Nebraska Gas will make a separate filing to address recovery of those incremental extraordinary costs in the near future.

The total impact on the Gas Cost Adjustment is as follows:

	<u>Incr/(Decr)</u> <u>\$/Therm</u>
Rate Areas One, Two, and Three	\$0.02312

If you have any questions, please feel free to contact me.

Sincerely,

Nancy Vernon
