Qwest Corporation d/b/a CenturyLink QC
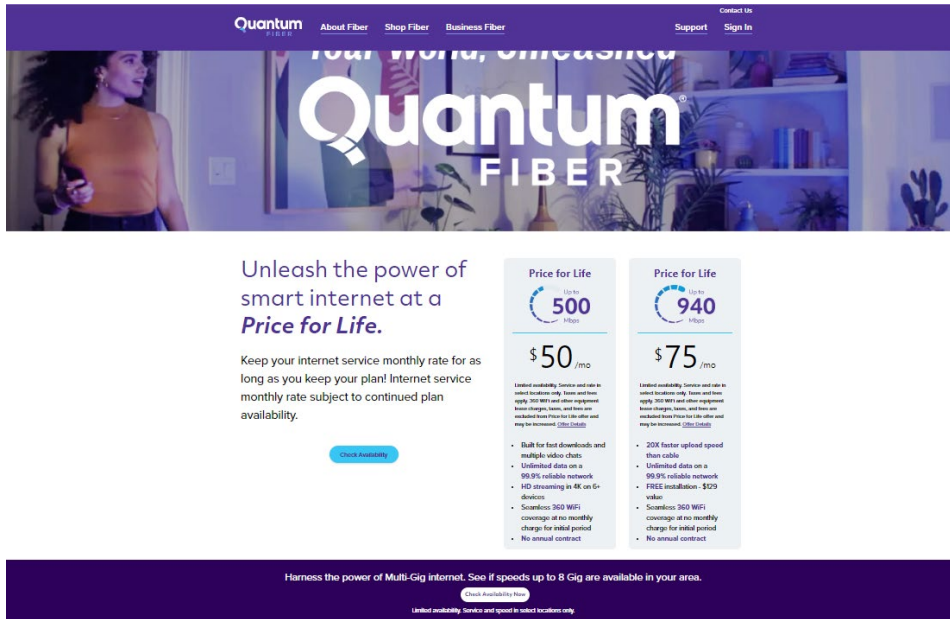

Bennington Exchange NBBP/CPF Grant Application

Once construction is complete for this project, CenturyLink QC may be providing services to residents under our Quantum Fiber brand. Availability and current pricing can be found at https://www.quantumfiber.com/homepage.html and is shown below.

Speed	Price	WiFi Router
500Mbps/500Mbps	$50.00/month (plus taxes & fees)	Included
940Mbps/940Mbps	$75.00/month (plus taxes & fees)	Included

Quantum Fiber's offering is for symmetrical upload/download speeds. This is explained in the Actual network performance metrics section of our Internet Service Disclosure found here https://www.quantumfiber.com/legal.html .

There are no term limits, contracts to sign or early termination fees for these services. The company does not apply data caps or speed throttling to its services and does not offer metered "pay-as-you-go" services. Additionally, the company is currently offering "price for life". With this offer, customers keep their internet service monthly rate for as long as they keep their plan.[1]
