Qwest Corporation d/b/a CenturyLink QC

Howells NBBP/CPF Grant Application

Once construction is complete for this project, CenturyLink QC will be providing services to residents at the same location where they can see their available services today, at <https://www.centurylink.com/>

Pricing for CenturyLink QC broadband service is established at a national level and currently priced at

| Speed           | Price                             | WiFi Router                       |
|-----------------|-----------------------------------|-----------------------------------|
| 200Mbps/200Mbps | \$30.00/month (plus taxes & fees) | \$15/month (or customer provided) |
| 940Mbps/940Mbps | \$70.00/month (plus taxes & fees) | Included                          |

CenturyLink QC's offering is for symmetrical upload/download speeds. This is explained in the Frequently Asked Questions section of the above referenced website. "What is the upload speed of my CenturyLink home internet service?"

There are no term limits, contracts to sign or early termination fees for these services. CenturyLink QC does not apply data caps or speed throttling to its services and does not offer metered "pay-as-you-go" services.

An example on the CenturyLink website:

The screenshot shows the CenturyLink website interface. At the top, there is a navigation bar with the CenturyLink logo, links for "For Home" and "For Business", a search icon, a location pin icon with "80218", and links for "Support" and "Sign In". On the right side of the navigation bar, there are links for "Chat" and "Contact Us".

The main content area features a large banner with the text "We've got your need for speed." and "Check your top speeds up to 940 Mbps...". Below this, there are two service cards for Fiber Internet. The first card is for "Up to 200 Mbps" and is priced at "\$30/MO". The second card is for "Up to 940 Mbps" and is priced at "\$70/MO". Both cards list benefits such as "20X faster upload speed than cable\*", "Unlimited data on a 99.9% reliable\*\* network", "FREE modem and installation - \$329 value", "Stream HD content from up to 8+ devices", and "No annual contract".

Below the service cards, there is a search bar with a location pin icon and the text "Street Address, City, State, Zip Code (Without Apt/Unit)". To the right of the search bar is a green button labeled "Get Internet".

At the bottom of the page, there is a navigation bar with links for "Internet", "TV", "Phone", "Accessories", and "Fiber Internet". A chat icon is visible in the bottom right corner.
