3. Long Distance Services – Residential

3.1 Rules and Regulations

The Telephone Company undertakes to provide intrastate interexchange telecommunications services within the State of Nebraska on the terms and conditions and at the rates and charges specified herein. The regulations set forth in Charter Fiberlink – Nebraska, LLC. PSC No. 1, Section 2, apply in addition to any regulations found following.

3.2 Conditions of Service

The Telephone Company provides intrastate interexchange services, including direct dialed message telecommunications services, to residential Customers who subscribe to the Telephone Company's local exchange service, as described in this Guide. The Customer must choose the Telephone Company as both their intraLATA and interLATA intrastate and interstate carrier in order to subscribe to a packaged service.

No substitutions on service packages are allowed. Rates (package or per minute) for long distance calls include only direct-dialed (1+) intrastate calls & interstate calls. All other calls including international calls and operator assisted (0+) calls are excluded from the stated package. The Telephone Company reserves the right to review usage of any long distance service (package or per minute services) and discontinue or block long distance services without further notice if Customer is utilizing the service for non- residential purposes or is exceeding normal usage.

Calls are measured in duration increments of sixty (60) seconds. All calls which are a fraction of a measurement increment are rounded up to the next whole unit. Timing on completed calls begins when the call is answered by the called party. Answering is determined by hardware answer supervision in all cases where signaling is provided by the terminating local carrier and any intermediate carrier(s). Timing terminates on all calls when the calling party hangs up or the Telephone Company's network receives an on-hook signal from the terminating carrier.

5.1 Product Description

Switched Outbound (1+)

Service provides the Telephone Company's customers with the ability to originate calls from a Telephone Company-provided access line to all other stations on the public switched telephone network bearing the designation of any central office exchanges outside the Customer's local calling area. This service is available on a switched basis only.

These services are available to Intrastate Interexchange Telecommunications Service customers of the Telephone Company pursuant to the terms and conditions of this tariff.

(M)

(M)

5.2 Long Distance Services for Residence

For all customers who choose the Telephone Company as their intraLATA toll and interLATA long distance provider:

Charter Basic Long Distance

Rate Per Minute \$ 0.07

- No peak or off-peak rates
- Intrastate includes intraLATA/local toll and interLATA calls

Charter Basic Long Distance (Buy Up) Plan

Monthly Recurring Charge (MRC) Per Line \$ 2.50
Rate Per Minute \$ 0.07

- No peak or off-peak rates
- Intrastate includes intraLATA/local toll and interLATA calls
- Includes discounted interstate minutes of use

The per minute of use rates apply to 1+ calls only (i.e. direct dialed) and not 0+ (i.e. operator assisted).

The MRC of \$2.50 is applied to each customer line and not per account. Also, this charge will be pro-rated for the first month and will be billed in advance. Per minute of use rates for interstate calling also apply.

5.4 Long Distance Services for Business (Cont'd)**Charter Business® Unlimited Long Distance Plan**

The Charter Business® Unlimited Long Distance service includes unlimited minutes for interstate and intrastate calls. This service is only available to Business Customers using Charter basic business lines on a single account at a single location. The Customer must select Charter as the IntraLATA and InterLATA toll carrier and subscribe to Charter Business® Unlimited Long Distance on any line of the account. This service may not be combined with any other Long Distance Minute Plan on the same account. Early termination fees may apply to package discount offerings. Charter Business® Unlimited Long Distance applies to calls within the US (including Alaska and Hawaii), Puerto Rico and Canada. International calling is not included with this plan. Taxes, fees and other charges will apply. Prices do not include local line or feature charges.

Callers must dial 1 + telephone number for a domestic call to be included without an additional charge. The Charter Business® Unlimited Long Distance service does not include calls to directory assistance, calling card, or operator services. Auto-dialing (including automatic outbound dialing systems or call distribution systems), broadcast fax, long distance internet or intranet access, call center and certain switching applications are not included. Usage may be monitored for compliance/abnormal usage and the Customer may be required to demonstrate compliance with these restrictions where monitoring indicates non-compliance. If Charter determines that Customer's use of the Service violates any of these and other restrictions, Charter, at its sole option, may move the Customer to another long distance plan or may suspend, restrict or cancel the Customer's service.
