Construction completed and ready to be energized, date _____

Remarks _____

By: _____

Title: _____

Delay in Construction. If an electric transmission line construction authorized by order of the Commission has not been entirely completed within 24 months from the date of the order and if the time for construction has not been extended by order of the Commission, the authorization for the portion of the line not completed shall be canceled forthwith. An application for an extension of time will be considered by the Commission upon a request from applicant showing good cause for such extension.
