

Applicant: Consolidated Telephone Company ("Consolidated")

Project: Anselmo Unserved

Attachment: F – Rate Comparability

Consolidated's current rate \$99.95 rate for 100/100 Mbps service is contained on Consolidated's website (screen shot below). Upon being awarded a grant in the 2023 Broadband Bridge Program Bridge Act Program, Consolidated will offer 100/100 Mbps service for \$79.95 in the awarded project areas. Consolidated's internet service does not have data caps, usage limitations, long term contracts, early termination fees or metered "pay-as-you-go" type of service.

The screenshot shows the Consolidated website's internet service page. The header includes the Consolidated logo, navigation links (Internet, Phone, Support, About, Contact), and contact information (Customer Service: 800-742-7464, Internet Support: 800-232-7094). A main banner reads "Never worry about going over on data limits." Below this is a photo of a family using a laptop. The "Internet Service" section states that service is available without a phone line. A call to action says "Call to see what service is in your area 800-742-7464".

1. Service availability depends on location. Speeds are based on maximum attainable speed. All prices exclude landline service. All Internet packages require an activation fee. Call for availability.

To further support that the \$79.95 retail rate for 100/100 Mbps is comparable, Consolidated looked at the FCC's most recent Urban Rate Survey results (FCC Public Notice DA 22-1338 rel. December 16, 2022). In this survey, the FCC's benchmark retail rate for 100/100 Mbps service is \$98.59.
