Cox Communications

Cox speeds and pricing for each community are advertised on the Cox website at our [Nebraska website](#). Users can click on the community and view pricing for the various speeds, as well as other services and packages available.

Our Internet Essential 100mbs tier is \$49.99 in our Omaha market. Additionally, the retail rate will not include early termination fees, we do not do pay-as-you go, metered service, or lock customers into a particular plan or term. While we have data caps, we offer several options to meet the needs of our subscribers. Cox is committed to the ongoing management of its network to improve its service offerings, protect customers, and create new service and feature enhancements for its customers. Cox does not shape, block or throttle Internet traffic or engage in other network practices based on the particular online content, protocols or applications a customer uses or by a customer's use of the network.

Included in this Attachment is a copy of the internet price sheet from the Cox website.
