

Attachment F Rate Comparability:

Dalton Telephone Company (DTC) dba Highlines's speed and pricing for the communities we serve are advertised on our Highline website.

Pricing is comparable to the rural Nebraska area for Fiber Internet. Users can visit our website at <https://highline-dalton.com> for pricing and any Terms and Conditions.

DTC dba Highline internet service DOES NOT utilize data caps, throttling speeds after usage limits are reached, there are no early termination fees, no long-term contracts, and no metered "pay as you go" service.

See page below for rates comparable to DTC:

The hosting service does not include design or modification of web pages.
Contact the business office for set up charges. Call 402-482-5220 or e-mail to kmaccts@kmtel.net.

All prices are subject to change

*Broadband plans are subject to customer location and the equipment which is provisioned for the service up to the plan tier purchased--call for availability. No blocking, throttling, or application-specific or affiliated or paid prioritization practices are in place for lawful, end-user internet traffic. Peak usage redundancy policies are in effect to address congestion management issues. Refer to the internet application for concerns with equipment access security and authentication as well as specific pricing, privacy, internet usage terms, and available remedies.
