Please select one of the following:

I am:

Adequately served.

Underserved. Underserved is defined as households/businesses that are unable to purchase an internet access plan that provides minimum speeds of 25Mbps download and 3Mbps upload speed. *We currently have intermittent 35 Mbps but not constant.*

Unserved. Unserved is defined as households/businesses that are unable to purchase an internet access plan that provides minimum speeds of 10Mbps download and 1Mbps upload speed.
