Community Feedback Form**

PROJECT DETAILS

Applying Service Provider: Glenwood Telecommunications, Inc.

Project Name: Prosser

Description of Proposed Project Area:

*Please refer to page 3 for map of proposed project area.

Name of person/entity completing the form: Joel Witt - Principal - Christ Lutheran Church & School

Community Role (mark one):

Community Member

Local Government: _____

Tribal Government: _____

Local Business: _____

Local Nonprofit: Christ Lutheran Church & School

Other (describe): _____

I/We DO NOT support the providers application because:

I/We support the provider's application because (select any that apply):

- The proposed service area is not able to receive reliable broadband service of 25/3 Mbps or greater.
- The proposed service area is not able to receive reliable broadband service of 100/20 Mbps or greater.
- The proposed project would result in the entire community having access to high-speed internet at 100/100 Mbps.
- The proposed service provider has consulted with the community in relation to community needs and affordability of the proposed service plans.
- Other reasons (please complete below)

Comments:

Currently, satellite is the only reasonable internet access. Access via cell phone is spotty at best. Satellite access can be unreliable in certain weather conditions. The community needs a reliable and affordable service for internet

Please feel free to include supplemental information regarding the proposed project as attachments to this form.
