

Hershey Cooperative Telephone Company_HersheySoutheast_ Attachment Letter F_1

Rate Comparability

Hershey provides the following information demonstrating that the retail rates for the proposed service area will be comparable (the same) to those provided in its ILEC service area. The rates charged in its ILEC service area for the offered speeds tiers are shown on the Attachment Letter F_2. Pdf screen shot of what is on web site

Hershey's plans do not have data caps, do not throttle speeds after usage limits are reach since they do not have usage limits, or have metered "pay-as-you-go" service.
