| Describe any conditions attached to the contribution: | See attached MOU (exhibit L_3). |
| Total Amount of Contribution: | \$ 66,000.00 |

Include a narrative below describing the community partner, the relationship between the community partner and the applicant, and the community partner's role in the proposed project:

Platte County, along with Loup River Public Power District conducted an RFP process for the distribution of \$1,000,000 in ARPA funds for rural broadband deployment. Stealth Broadband was selected as the provider partner and has entered into an MOU with Platte County. Platte County will be providing the amount specified above as a cash contribution to this project should the application be awarded.

I hereby certify that the above listed contribution has been made by our agency/business/organization to the Nebraska Capital Projects Fund applicant in the amount shown or will be provided within forty-five (45) days after approval of the Nebraska Capital Projects Fund application by the Nebraska Public Service Commission.
