TARIFF FORMAT

Page Numbering. Page numbers appear in the upper right hand corner of the sheets. Pages are numbered sequentially. From time to time new pages may be added to the tariff.

Page Revision Numbering. Revision designations also appear in the upper right corner of pages. These designations are used to determine the most current page version on file with the Commission. For example, the 1st Revised Sheet 1-2 cancels the Original Sheet 1-2.

Check Sheets. When a tariff filing is made with the Commission, an updated check sheet accompanies the tariff filing. The check sheet lists the pages contained in the tariff, with a cross-reference to the current revision number. When new pages are added, the check sheet is changed to reflect the revision. All revisions are designated by an asterisk (*). The tariff user should refer to the latest check sheet to find out if a particular page is the most current one on file with the Commission.

Issued: September 2, 2005

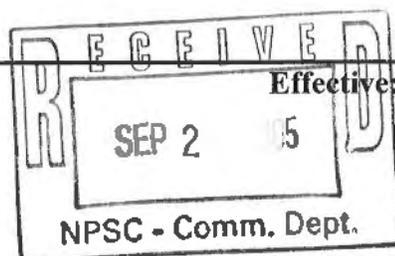

Effective: September 12, 2005

Explanation of Symbols. When changes are made in any tariff page, a revised page will be issued replacing the tariff page affected. Changes will be identified on the revised page through the use of the following symbols:

- (C) Signifies a changed regulation.
- (D) Signifies a discontinued rate, treatment or regulation.
- (I) Signifies an increased rate or new treatment resulting in an increased rate.
- (M) Signifies a matter relocated without change.
- (N) Signifies a new rate, treatment or regulation.
- (R) Signifies a reduced rate or new treatment resulting in a reduced rate.
- (T) Signifies a change in text only -- no change in rate, treatment or regulation.
- (Z) Signifies a correction.

Issued: May 28, 2008

SECTION NO. 1. GENERAL (cont'd.)

1.3 TARIFF

1.3.1 TARIFF APPLICABILITY

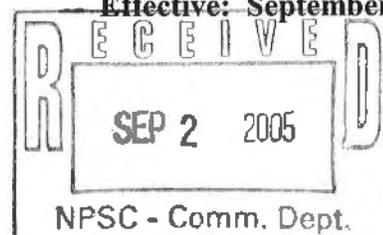

- A. The rules, regulations and rates contained in this Tariff apply to the general public located within the certified service area of the Company and to all services rendered by the Company included in the Tariff. The Company also provides services in other tariffs or as provided in a special contract between the Company and a Subscriber.
- B. This Tariff relates only to the Company's continuing or future obligation to provide facilities or services. The Company may provide similar services or facilities not subject to regulation by the Commission as a matter of private contract. Any such offerings shall be subject to the provisions of private contracts rather than subject to the provisions of this Tariff.
- C. This Tariff cancels and supercedes all other local and general exchange tariffs of the Company issued and effective prior to the effective dates shown on the individual sheets of this catalog.

1.3.2 INSPECTION OF THE COMPANY'S SERVICE CATALOG

Copies of these rules and regulations, together with rate schedules, are on file for inspection at the office of the Company during normal business hours. The Company will allow anyone to inspect its effective tariffs.

Issued: September 2, 2005

Effective: September 12, 2005

SECTION NO. 1. GENERAL (cont'd.)

1.4 DEFINITIONS

As used throughout this service catalog, the following definitions of terms shall apply.

ACCESS LINE – The telecommunication line from the central office switching point up to and including termination on the customer's premises in either a terminal block, jack or other point of termination.

ADDITIONAL LISTING – Any listing of a name or other authorized information in connection with a customer's telephone number in addition to that which he is entitled in connection with his regular service.

AIRLINES MILES – The number of miles between two points calculated by using the shortest distance between two points involved.

APPLICANT – An individual, firm, corporation, partnership, institution, association or organization, whether public or private, applying for or requesting provision of telecommunication service in accordance with this service catalog.

AUTHORIZED USER – A person, firm or corporation (other than the customer) on whose premises a telecommunication service is located and who may communicate over such service in accordance with the terms of this service catalog.

BASE RATE – A rate for any form of exchange service which does not include mileage or other incremental charges.

BUSINESS OFFICE – The office of the Telephone Company which handles Subscriber billing, collections and applications for service.

BUSINESS TELEPHONE SERVICE – Telecommunications service provided to firms, corporations, agencies, partnerships, associations and other institutions, public or private, whose base concern is the conduct of business, or the fulfillment of a public responsibility, and which are normally engaged in the acts of commerce. One indication of business service is the reference to a user's phone number in public advertising of a business nature.

SECTION NO. 1. GENERAL (cont'd.)

1.4 DEFINITIONS (cont'd.)

SECTION NO. 2. GENERAL TERMS AND CONDITIONS

2.1 PROVISION OF SERVICE

2.1.1 DESCRIPTION OF SERVICE

The Company undertakes to provide the Services offered in this Tariff on the terms and conditions and at the rates and charges provided for in this Tariff.

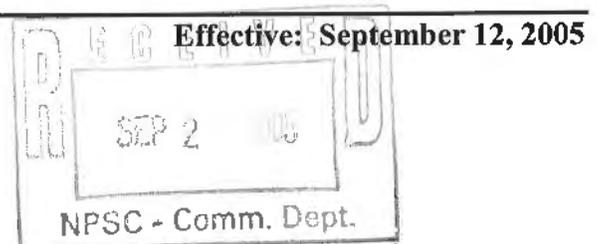

Local Exchange Services consist of one-way or two-way telecommunications services and features among points within the Local Service Area. The Company is responsible under this Tariff only for the services and facilities provided hereunder, and it assumes no responsibility for any service provided by any other entity that purchases access to the Company network in order to originate or terminate its own services, or to communicate with its own customers.

2.1.2 APPLICATION OF BUSINESS AND RESIDENCE RATES

A. Business Rates Apply at the Following Locations:

1. In offices, stores, factories, mines and all other places of a strictly business nature.
2. In boarding houses, except as noted under B-2, offices of hotels, halls, and apartment buildings; quarters occupied by clubs or lodges; public, private or parochial schools, colleges, hospitals, libraries and other similar instructions where usage is for administrative purposes.
3. At residence locations when the Subscriber has no regular business telephone service and the use of the service either by himself, members of his household or his guests, or parties calling him can be considered as more of a business than of a residence nature, which fact might be indicated by advertising either by business cards, newspapers, handbills, billboards, circulars, motion pictures, screens, or other advertising matter, such as on vehicles, etc., or when such business use is not such as commonly arises and passes over to residence telephone service during the intervals when, in compliance with the law or established custom, business places are ordinarily closed.

Issued: September 2, 2005

SECTION NO. 2. GENERAL TERMS AND CONDITIONS (cont'd)

2.1.2 APPLICATION OF BUSINESS AND RESIDENCE RATES (cont'd.)

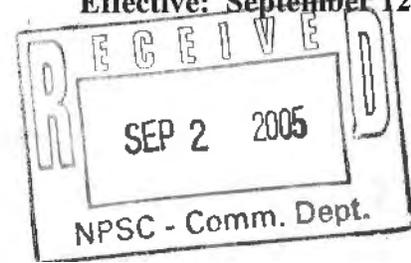

4. In any location where the listing of service at that location indicates a business, trade or profession.
5. Any location where the Company's facilities are connected to a pay phone.

B. Residence Rates Apply at the Following Locations:

1. In private residence where business listings are not provided.
2. In private apartments or hotels, rooming houses, churches, or boarding houses where service is confined to the Subscriber's use.
3. In the place of residence of a clergyman or nurse, and in the place of residence of physician, surgeon or other medical practitioner, dentist or veterinary, provided the Subscriber does not maintain an office in the residence.

Issued: September 2, 2005

Effective: September 12, 2005

SECTION NO. 2. GENERAL TERMS AND CONDITIONS (cont'.d)

2.1.3 APPLICATION FOR SERVICE

- A. Applications for service may be made verbally to the Company. Applicants for service maybe required to pay at the time application is made, all charges accruing for the first billing period for exchange service, the service connection charge if applicable, or a deposit. Any change in rates, rules or regulations contained in this Tariff shall act as a modification of the contract, without further notice.

- B. Requests from Subscribers for additional service may be made verbally, if the original contract provides for such additional service as may be ordered and no advance payment will be required. A move from one location to another (Outside Move) within the same Exchange Area is not considered to terminate the contract and orders for such moves may be made verbally.

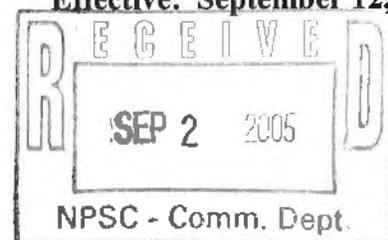

2.1.4 CREDIT AND DEPOSITS

A. Establishment of Credit

The Company is not obligated to furnish service to any individual or firm that owes for service previously rendered at the same or a different address until arrangements have been made to liquidate such previous indebtedness to the Company. Nor is the Company obligated to continue to furnish service to any individual or firm whose credit is or becomes, in the opinion of the Company, doubtful. In order to insure the payment of all charges due for its service, the Company may require any Subscriber to establish and maintain his credit in one of the following ways:

Issued: September 2, 2005

Effective: September 12, 2005

SECTION NO. 2. GENERAL TERMS AND CONDITIONS (cont'.d)

2.1.4 CREDIT AND DEPOSITS

A. Establishment of Credit (cont'd.)

1. By furnishing references acceptable to the Company;
2. By providing a suitable guarantee in writing, in form prescribed by the Company;
3. By means of a cash deposit.

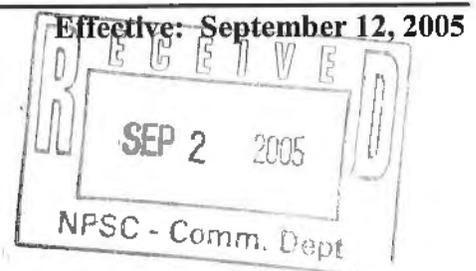

B. Amounts of Deposits

The amount of deposit required for the purpose of establishing a Subscriber's credit shall not normally exceed his estimated bill for exchange service and toll charges for two months service. The Company may require the Subscriber to increase the amount of the deposit at any time if, in its opinion, the charges billed against the Subscriber are found to warrant such an increase.

C. Deposit Not to Affect Regular Collection Practices

The fact that a deposit has been made shall in no way relieve the applicant or Subscriber from complying with the Company's regulations as to advance payments and the prompt payment of bills upon presentation; nor constitute a waiver or modification of the regular practices of the Company providing for the discontinuance of service for non-payment of any sums due the Company for services rendered. The Company may discontinue service to any Subscriber failing to pay current bills without regard to the fact that such Subscriber has made a deposit with the Company to secure payment of such bills or has furnished the Company with a guarantee in writing of such bills.

Issued: September 2, 2005

SECTION NO. 2. GENERAL TERMS AND CONDITIONS (cont'd)

2.1.4. CREDIT AND DEPOSITS (Cont'd.)

D. Interest to be Paid on Deposits

Interest will be paid by the Company on deposits made for the purpose of establishing credit as per Nebraska Public Service Commission Rules and Regulations.

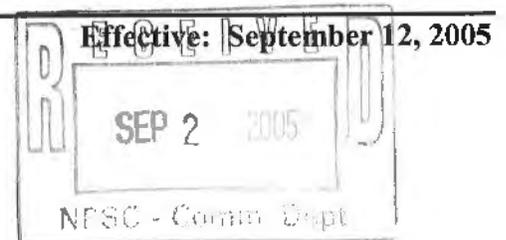

E. Discontinuance of Service for Failure to Establish Credit

Service may be discontinued for failure to establish credit, as authorized above, within five days after the Company has serviced or mailed notice requiring the Subscriber to do so.

F. Reconnection Service Charge

Where service has been discontinued for failure to establish credit as authorized above, the non-pay reconnection charge will be made and collected by the Company.

Issued: September 2, 2005

SECTION NO. 2. GENERAL TERMS AND CONDITIONS (cont'.d)

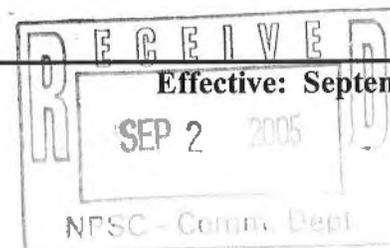

2.2 MINIMUM CONTRACT PERIODS

- A. Except as hereinafter provided, the minimum contract period for all services and facilities is one month at the same location.
- B. The length of contract period for directory listings, and for joint user service, where the listing actually appears in the directory, is the directory period. The directory period is from the day on which the directory is first distributed to the Subscribers to the day the succeeding directory is first distributed to Subscribers.
- C. The Company may require a contract period longer than one month at the same location in connection with special (non-standard) types of arrangements of equipment, or for unusual construction necessary to meet special demands, and involving extra costs.

2.3 DISCONTINUANCE OF SERVICE

- A. The Company may discontinue service to any customer not abiding by or adhering to the rules and regulations of this tariff. Specifically, the Company may disconnect service for any of the following reasons:
 - 1. Failure to pay for services rendered subsequent to proper notice.
 - 2. Request for service or delinquency in payment for service at an indebted household, unless a customer in the indebted household to whom service is provided and billed has made prompt payment for such service.
 - 3. Without notice in the event of customer use of equipment in such a manner as to adversely affect the access line service to others.
 - 4. For violation of or non-compliance with the Commission's regulations governing access line service supplied by the Company.

Issued: September 2, 2005

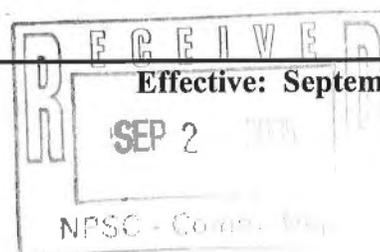

Effective: September 12, 2005

SECTION NO. 2. GENERAL TERMS AND CONDITIONS (cont'd.)

2.3 DISCONTINUANCE OF SERVICE (cont'd.)

5. Any violation of or noncompliance with this tariff, which is filed with the Commission.
 6. Without notice in the event of tampering with the equipment furnished and owned by the Company.
- B. Service may be terminated prior to the expiration of the minimum contract period upon notice being given to the Company, and upon payment of the termination charges given below, in addition to all charges due for service which has been furnished.
1. In the case of service for which the minimum contract period is one month, the termination charges will total the balance due for the month.
 2. In the case of directory listings where the listing has appeared in the directory, the termination charges will total all charges due through the end of the directory period.
 3. Contracts for period of longer than one month covering services who installation required line extensions may be terminated upon payment of all charges that would accrue to the end of the contract period, or the contract will be transferred to a new Applicant who is to occupy the same premises and will subscribe to the service effective on the day following termination by the original Subscriber.
- C. Service may be terminated after the expiration of the initial contract period, upon the Company being notified and upon payment of all charges due to the date of termination of the service.

Issued: September 2, 2005

Effective: September 12, 2005

SECTION NO. 2. GENERAL TERMS AND CONDITIONS (cont'.d)

2.4 PAYMENT ARRANGEMENTS AND CREDIT ALLOWANCE

2.4.1 GENERAL

- A. The Subscriber shall pay for services and facilities monthly in advance – except Departments, Administrations and Agencies of the Federal, State, County, Township or Municipal Governments and shall pay for Toll Messages and moves and changes when billed. Failure to receive a bill does not relieve the Subscriber of the responsibility for payment in accordance with the provisions set forth herein.
- B. All bills for local, toll or miscellaneous services are due when rendered and payable at the office of the Company, or an authorized collection agency, by the 10TH day of the month or the first business day following the 10TH of the month, when the 10TH falls on a Saturday, Sunday or holiday, in which the bill is rendered.
- C. When warranted, in the judgment of the Company, special toll bills may be rendered. In such cases, the amount billed is due and payable on demand.
- D. In the event of failure by the Subscriber or those responsible to pay any regular bill by the 10TH day of the month or the first business day following the 10TH day of the month, when the 10TH falls on a Saturday, Sunday or holiday, in which the bill is rendered or to promptly settle special toll bills, the Company may restrict access to long distance dialing, 1+, 0+, 0-calls without further notice at any time during such default. Bills remaining unpaid at the 10TH day of the following month will then be disconnected from local service. In special circumstances, the Company may completely discontinue service without further notice at any time during such default. Service need not be restored unless or until all amounts due at the day of payment are paid in full including the payment of service charges.

SECTION NO. 2. GENERAL TERMS AND CONDITIONS (cont'd.)

2.4 PAYMENT ARRANGEMENTS AND CREDIT ALLOWANCE (cont'd.)

2.4.1 GENERAL (cont'd.)

- E. No allowance will be made for loss of service during the period service is disconnected for nonpayment if payment is made and service reconnected before the completion of an order to terminate the service. Subsequent to the completion of an order to terminate the service, it may at the option of the Company be re-established only on the basis of a new application.
- F. The subscriber is held responsible for all charges for telephone service rendered, both exchange and toll, including charges for toll messages on which the charges have been reversed.

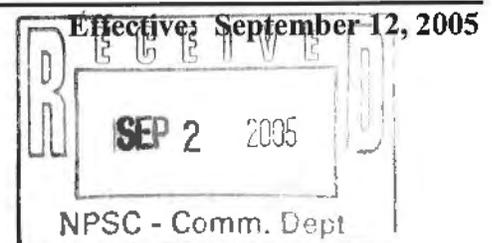

2.4.2 ADVANCE PAYMENTS

Applicants may be required to make advance payments to cover all or a portion of the exchange service, service connection charges, installation charges, and special construction charges.

2.4.3 CREDIT FOR LOCAL SERVICE OUTAGES

If service is interrupted for more than 72 hours other than by the negligence or willful act of the Subscriber, an allowance at the minimum rate for the telephone facilities and class of service affected at the time of the interruption shall be made for the time such interruption continues, after notice and demand to the Company. No other liability shall in any case attach to the Company on account of interruptions in service.

Issued: September 2, 2005

SECTION NO. 2. GENERAL TERMS AND CONDITIONS (cont'd.)

2.4 PAYMENT ARRANGEMENTS AND CREDIT ALLOWANCE (cont'd.)

2.4.4 SPECIAL TAXES, FEES, SURCHARGES AND CHARGES

When any municipality, governmental authority, other political subdivision or local agency of government collects from the Company a gross receipts tax, occupation tax, license tax, permit fee, franchise fee or any other fee, tax or surcharge, such taxes and fees shall, insofar as practicable, be billed pro rata to the exchange customers receiving service within the territorial limits of such municipality, other political subdivision or local agency of government. Effective July 1, 2014, the Telecommunications Relay Surcharge is two cents (\$0.02) per month on first one hundred telephone number or functional equivalent per subscriber. (C)

2.5 EQUIPMENT AND CONNECTION

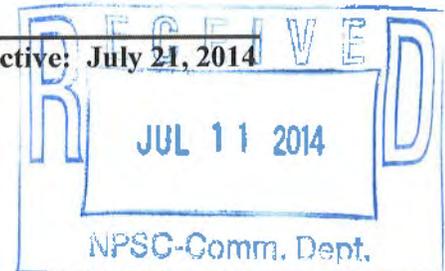

2.5.1 GENERAL

A. Ownership and Use of Equipment

If equipment, instruments, and lines furnished by the Company are located on the premise of a Subscriber property, the Company's agents and employees shall have the right to enter said premises at any reasonable hour for the purpose of installing, inspecting, maintaining or repairing the equipment, instruments and lines, or for the purpose of making collections from coin boxes or upon termination of the service, for the purpose of removing such equipment, instruments and lines. Such equipment, instruments and lines shall not be used for performing any part of the work of transmitting, delivering or collecting any message where any toll or consideration has been or is to be paid by any party other than the Company, without the written consent of the Company.

B. Attachments or Connections

1. All connections of equipment will be made through standard jacks and through standard plugs. The jack will be of modular design as prescribed by the FCC and must be wired so that there will be no interference to the rest of the service if the plug is withdrawn.

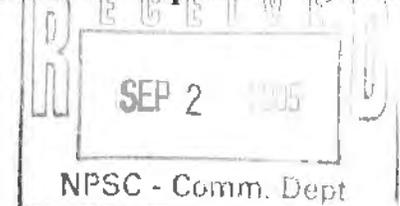

SECTION NO. 2. GENERAL TERMS AND CONDITIONS (cont'd.)

2.5 EQUIPMENT AND CONNECTION (cont'd.)

2.5.1 GENERAL (cont'd.)

2. All customers who purchase their own equipment will advise the Company, upon request, of its presence, registration number, its ringer equivalence number, and the lines to which the registered equipment will be connected.
3. A customer who fails to notify the Company of connection of grandfathered or registered terminal equipment or protective circuitry is otherwise in violation of applicable laws, rules and regulations will be subject to discontinuance of service.
4. The use of customer provided circuitry or terminal equipment shall not require change in, or alteration of the equipment or other facilities of the Company. If any such circuitry or terminal equipment is found defective, its use shall be immediately discontinued until correction is made.

SECTION NO. 2. GENERAL TERMS AND CONDITIONS (cont'd.)

2.5 EQUIPMENT AND CONNECTION (cont'd.)

2.5.2 TROUBLE REPORTS FROM CUSTOMERS WITH CUSTOMER OWNED EQUIPMENT

When the Subscriber requests a service call for repairs (when the Subscriber owns all or part of the terminal equipment) and the Company's facilities are found not to be causing the trouble, a trouble location charge for time and materials will be applied.

2.6 COMPLAINTS

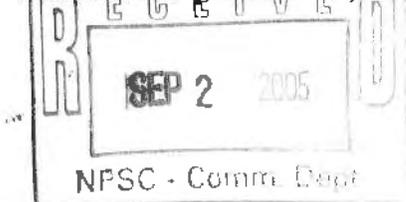

- A. Customer complaints against the Company shall be made first directly to the Company. The Company shall allow complaints to be accepted and processed in a simple manner and form. Every complaint shall be promptly investigated in a fair manner and the results reported to the complainant. If the report of the investigation is made orally, the Company shall provide the complainant, upon request, the report in writing. If the Company fails to resolve a complaint to the satisfaction of the complainant, the Company shall, upon request, inform the complainant of the availability of the Commission to review the Company's investigation, and the Company shall provide the complainant with the address and telephone number of the Commission:

Nebraska Public Service Commission
300 The Atrium, 1200 "N" Street
P.O. Box 99927
Lincoln, NE 68509-4927
(402) 471-3101 or (800) 526-0017

- B. The Company shall refrain from suspending or terminating service for non-payment during the pendency of a complaint before the Company or the Commission, unless otherwise provided by the Commission; provided, however, that as a condition of continued service during the pendency of such dispute a customer shall pay the undisputed portions of any bill for service.

Issued: September 2, 2005

Effective: September 12, 2005

SECTION NO. 2. GENERAL TERMS AND CONDITIONS (cont'd)

2.7 RESPONSIBILITY OF THE COMPANY

2.7.1 GENERAL

A. Availability of Facilities

The Company's obligation to furnish exchange and toll service is dependent upon its ability to secure and retain, without unreasonable expense in the sole judgment of the Company, suitable facilities and rights for the construction and maintenance of the necessary lines, circuits and equipment. (C)

B. Maintenance and Repairs

All ordinary expense of maintenance and repair, unless otherwise specified in the Company's tariff, is borne by the Company. The Subscriber agrees to take good care of the instruments and all accessories. The Subscriber is held responsible for the cost of replacing equipment destroyed, or for the cost of restoring the equipment to its original condition, when the damage is other than ordinary wear and tear due to negligence of the Subscriber.

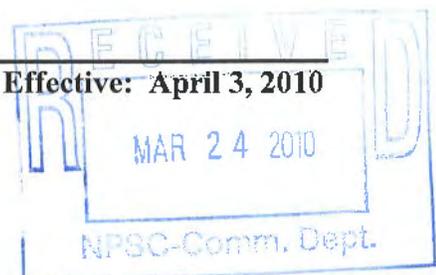

C. Telephone Numbers

The Subscriber has no property right in the telephone number or any right to continuance of service through any particular central office, and the Company may change the telephone number of the central office designation, or both, of a Subscriber whenever it deems it advisable in the conduct of its business to do so.

D. Telephone Directories

1. Distribution

The Company provides directory information to a directory provider and the directory provider will furnish to the Company's Subscribers, without charge directories as the directory provider deems necessary for the efficient use of service. Other directories will be furnished at the discretion of the Company at a reasonable charge.

SECTION NO. 2. GENERAL TERMS AND CONDITIONS (cont'd.)

2.7 RESPONSIBILITY OF THE COMPANY (cont'd.)

2.7.1 GENERAL (cont'd.)

2. Ownership and Use

The directories regularly furnished to Subscribers are the property of the directory provider and are provided to Subscribers only as an aid to the use of the telephone service. The Company shall have no liability or obligation based upon the actions or inactions of directory provider.

E. Use of Profane Language or Impersonation of Another

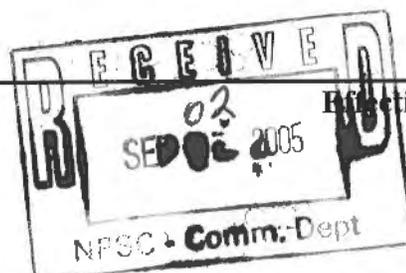

The Company may refuse to furnish or may deny telephone service to any persons, firm or corporation who, over the facilities furnished by the Company, uses or permits to be used foul, abusive, obscene or profane language; or impersonates or permits others to impersonate any other individual with fraudulent or malicious intent.

F. Governmental Objections to Service

The Company may refuse to furnish or may discontinue telephone service to any person, firm or corporation upon objection to the furnishing of such service made by or on behalf of any governmental authority on the grounds that such service is or is to be used for an illegal purpose.

G. Tampering with Equipment

The Company may refuse to furnish or deny telephone service to any person, firm or corporation on whose premises is located any telephone equipment which shows any evidence of tampering, manipulation or operation or use of any device whatsoever, for the purpose of obtaining telephone service without payment of the charges applicable to the service rendered.

SECTION 2 – GENERAL TERMS AND CONDITIONS (cont'd.)

2.7.2 LIMITS OF LIABILITY

A. Limitation of Liability

In view of the possibility of errors and difficulties occurring in the transmission of messages by telephone, and the impossibility of fixing the cause thereof, the customer assumes all risks associated with the service except as follows:

1. If the initial installation is defective or if service is interrupted for any cause, other than by the negligence or willful act of the customer, the entire liability to any person for interruption or failure of any call, including an emergency call, shall be limited to an allowance, at the minimum rate for the telephone facilities and class of service at the time of the installation or interruption, the time such outage continues after notice and demand to the Company, if the outage lasts for a period of time longer than 24 hours and unless such outage is due to the inside wiring or customer premises equipment. No other liability shall, in any case, attach to the Company. The Company's liability for any loss or damage arising from errors, interruptions, defects, failures, or malfunctions of the Service or any part thereof, whether caused by negligence of the Company or otherwise shall not exceed the greater of \$100.00. All claims, except claims associated with the Company's gross negligence or willful misconduct, are subject to these limitations.
2. Under no circumstances is the Company liable for any consequential damages for any claim.
3. In the case of interruption to any interexchange service (private line, WATs, etc.), allowance for message toll service used by the customer, during the period of interruption, will be made at the regular message toll rates.

Issued: September 2, 2005

Effective: September 12, 2005

SECTION NO. 2. GENERAL TERMS AND CONDITIONS (cont'.d)

2.7.2 LIMITS OF LIABILITY (cont'.d)

B. Use of Connection Company Lines

When suitable arrangements can be made, lines or other telephone companies may be used in establishing wire connections to points not reached by this Company's lines. In establishing connections with the lines of other Companies, the Company is not responsible or liable for any action of the Connecting Company.

C. Hazardous Locations

If the installation and maintenance or service are requested at locations which are or may be hazardous or dangerous to the Company's employees or to the public or to property, the Company may refuse to install and maintain such service and, if such service is furnished, may require the Subscriber to install and maintain such service and may also require the Subscriber to indemnify and hold the Company harmless from any claims for loss or damage by reason of the installation and maintenance of such service.

D. Transmitting Messages

The Company does not transmit messages but offers the use of its facilities for communications between patrons. If because of transmission difficulties the operator, in order to accommodate the Subscriber, repeats messages the operator is deemed to be acting as the agent of the persons involved and no liability shall attach to the Company because of any errors made by the operator or misunderstandings that may arise between Subscribers because of the errors.

Issued: September 2, 2005

Effective: September 12, 2005

SECTION NO. 2. GENERAL TERMS AND CONDITIONS (cont'd)

2.7.2 LIMITS OF LIABILITY (cont'd)

E. Directory Errors and Omissions

1. The Company, except as provided herein, shall not be liable for damage claimed on account of errors in or publications of such errors in the official Company directory, nor will the Company be a party to controversy arising between Subscribers or others as a result of listings published in its official Company directories. Claims for damages on account of interruptions to service due to errors or omissions in official Company directory listings will be limited to a pro rate ratio abatement of the charge for such of the Subscriber's service as is affected, the maximum abatement not to exceed one-half the service charges for the period from the date of issuance of the directory in which the mistake occurred to the date of issuance of a new directory containing the proper listing.
2. In the case of directory listings in the alphabetical section of the directory for which a charge is made, the Company's liability shall be limited to an amount not to exceed the established rate for such listing during the period which the error or omission continues.

F. Defacement of Premises

The Company shall exercise due care in connection with all work done on Subscriber's premises. No liability shall attach to the Company by reason of any defacement or damage to Subscriber's premises resulting from the existence of the Company's instruments, apparatus and associated wiring on such premises, or by the installation or removal thereof, unless such defacement or damage is the result of the sole negligence of the Company.

Issued: September 2, 2005

Effective: September 12, 2005

SECTION NO. 2. GENERAL TERMS AND CONDITIONS (cont'd)

2.7.2 LIMITS OF LIABILITY (cont'd)

G. Adjustment of Charges

In the adjustment of charges for overbilling by the Company, a refund will be made of the full amount of excess charges when such amount can be determined; when the period during which overbilling has been effective cannot be fixed or the exact amount of overbilling determined from available records, the maximum refund will not exceed an estimated amount equal to the overbilling for a twelve month period.

2.8 RESPONSIBILITIES OF SUBSCRIBERS

2.8.1 GENERAL

A. Payment for Service

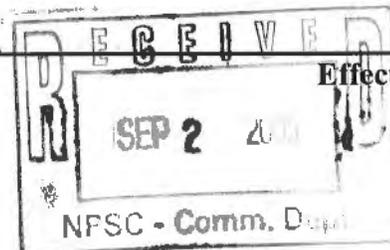

The Subscriber is required to pay all charges for exchange services and facilities, and for toll messages in accordance with provisions contained elsewhere in these General Rules and Regulations. The Subscriber is held responsible for all charges for telephone service rendered at this telephone, both exchange and toll, including charges for toll messages on which the charges have been reversed.

B. Maintenance and Repairs

The Subscriber agrees to notify the Company promptly in writing whenever alterations of premises owned or leased by him will necessitate changes in the Company's wiring or equipment, service, and the Subscriber agrees to pay the Company's current charges.

Issued: September 2, 2005

Effective: September 12, 2005

SECTION NO. 2. GENERAL TERMS AND CONDITIONS (cont'd)

2.9 CONSTRUCTION AND LINE EXTENSION POLICY

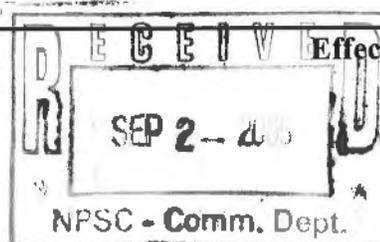

2.9.1 GENERAL

- A. Construction charges, in the form of installation charges, monthly charges, or both, are applied in addition to the usual service connection charges and monthly rates when, because of the sporadic or occasional nature of the service requested, an unusual investment or expense will be required, as for example:
1. The facilities are requested in a remote or undeveloped section outside the base rate area.
 2. Conditions require the provision of special equipment or unusual methods of plant construction, installation or maintenance.
 3. The customer's location requires the use of costly private right-of-way.

2.9.2 POLICIES

- A. Title to all construction, provided wholly or partly at a customer's expense is vested in the Company.
- B. "Cost" is defined as the cost of labor and materials including the usual supervisory expenses.
- C. The customer is required to pay construction charges as made by another company providing facilities connection with the facilities of the Company.
- D. Facilities placed on private property to be used as a part of the standard distributing plan serving Subscribers in general are furnished, maintained, and owned by the Company, subject to such construction charge as may be applicable.

Issued: September 2, 2005

Effective: September 12, 2005

SECTION NO. 2. GENERAL TERMS AND CONDITIONS (cont'd.)

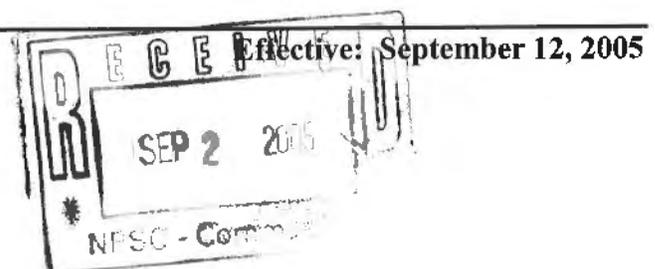

2.9 CONSTRUCTION AND LINE EXTENSION POLICY (cont'd.)

2.9.2 POLICIES (cont'd.)

- E. Circuits on private property are furnished, owned and maintained by the Company.
- F. Where required by the conditions, applicants shall provide, without expense to the Company, private right-of-way parallel to the public right-of-way.
- G. Line extensions are further subject to the regulations specified in the Tariffs of this Company, which Tariffs as they now exist or as they may be revised, added to or supplemented by superseding issues are hereby made a part of this service catalog.

2.9.3 OUTSIDE PLANT CONSTRUCTION

- A. Under normal conditions, the Company, without charge, will extend its lines to reach applicants within the exchange service area, provided either of the two following conditions are satisfied:
 - 1. Service to such applicant or applicants will not reduce the existing overall density of the System; or
 - 2. The cost of constructing the required line extension will not exceed seven times the estimated annual exchange revenue from such applicant or applicants.

SECTION NO. 2. GENERAL TERMS AND CONDITIONS (cont'd)

2.9 CONSTRUCTION AND LINE EXTENSION POLICY (cont'd.)

2.9.4 CONSTRUCTION CHARGES

A. If for a line extension the requirements or an applicant or group of applicants exceeds the above, a construction charge is made for the facilities in excess of the allowances specified under 2.9.3A.2. The construction charge for line extensions is apportioned equally among all applicants of a group.

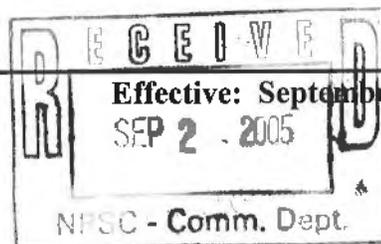

B. Plant extensions to provide service on a basis other than as covered above require the payment of construction charges as determined from the conditions.

2.9.5 PAYMENTS

A. The construction charge assessed an applicant or applicants for facilities in excess of the allowance shall be paid in advance.

B. Payments for line construction are not refundable and no credit will be allowed for future installation on line extensions constructed under the above regulations.

Issued: September 2, 2005

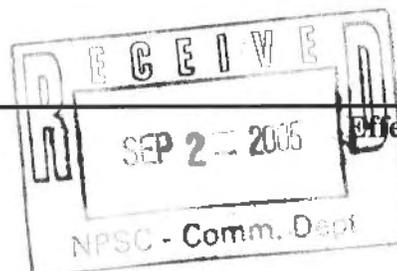

Effective: September 12, 2005

SECTION NO. 2. GENERAL TERMS AND CONDITIONS (cont'.d)

2.10 SPECIAL CONSTRUCTION

- A. All rates and charges set forth in this service catalog are for the provision of service and facilities in normal locations and under normal working conditions, as defined by the Company.
- B. When special installation, construction or modification of facilities, operations or services are required, or when other unusual service is performed, additional charges may apply and will be developed as such conditions require. Special charges may arise when, at the request of the Subscriber, the Company constructs or installs facilities in order to provide service, or undergoes significant changes in operation to provide the requested service, and
1. There is no general requirements for the facility or service other than that of the Subscriber requesting the facility or service, or
 2. The facilities or service are of a type other than that which the Company would normally provide, or
 3. The Company must purchase, construct or otherwise incur greater expense to provide the requested facilities or service than it would otherwise deem necessary in order to fulfill the initial service requirement, or
 4. The Company is required to expedite service at a greater expense than that which it would otherwise incur,
 5. The Company constructs or provides temporary facilities or service for a period during which permanent facilities are under construction or not required.

Issued: September 2, 2005

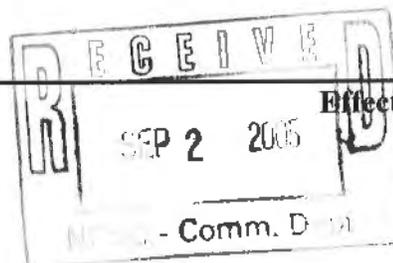

Effective: September 12, 2005

SECTION NO. 2. GENERAL TERMS AND CONDITIONS (cont'd.)

2.10 SPECIAL CONSTRUCTION (cont'd.)

- C. When the revenue to be derived from the service is not sufficient to warrant the Company assuming special construction or service costs, or when costs are sufficient to unduly restrict the operating capital of the Company, the Subscriber may be required to pay all or a part of such cost. (See construction and line extension policies.)

3.6 DIRECTORY LISTINGS

3.6.1 GENERAL

- A. The alphabetical telephone directory is an alphabetical list, with telephone numbers and addresses of customers, joint users and others who are entitled to use the customer's telephone service under the terms and conditions governing such use. The basic purpose of the alphabetical directory is to provide a convenient means for obtaining telephone numbers for the completion of calls. To insure that this fundamental purpose is fulfilled, the Company reserves the right to determine the propriety of any listing to be included in the directory.
- B. The directory for each exchange is published at intervals determined by the Company. In some directories, the customers of two or more exchanges may be listed in the same directory, either in separate sections or in one list as determined by the Company. A directory may list the customers of certain but not all of the service areas of a multi-service area exchange.

3.6 DIRECTORY LISTINGS (cont'd.)

3.6.2 TERMS AND CONDITIONS

- A. A customer's listing may be omitted from the directory but otherwise posted on the information records and will be given out on request. This is referred to as "non-listed" service.
- B. A customer's listing may be omitted from the directory but will be posted on the information records without a telephone number. This is referred to as "nonpublished" service.
- C. Listings shall be the names of individuals, businesses, clubs, associations, corporations or partnerships of subscribers or authorized users of exchange telephone service.
- D. As an aid in identifying business customers, certain business or professional designations are furnished in connection with listings for business service. If, in the judgment of the Company, it is necessary in order to properly identify a listing, descriptive titles or designations may also be furnished in connection with listings of residence service. Business designations are not furnished in connection with listings of residence service.

3.6 DIRECTORY LISTINGS (cont'd.)

3.6.2 TERMS AND CONDITIONS (cont'd.)

- E. Normally all listings will be spelled in full and common abbreviations will be used at the option of the Company or directory provider. Where more than one line is required to properly list a person or firm, no additional charge is made.
- F. Limitations concerning content of primary and additional listings.
1. Any form of listing which does not facilitate directory service or is otherwise objectionable or unnecessary for purposes of identification is not permitted.
 2. The listing of a service, commodity or trade name will not be permitted except when the name of the service, commodity or trade name is the name or an integral part of the name under which the listed party is doing business.
 3. Listings that include advertising, such as words describing a product or including the price of a product or service are not permitted.
 4. Names designed to alphabetize a customer's listing ahead of or near competitor's listings are not permitted.
 5. Listings are not permitted which are offensive in the sole opinion of the Company or directory provider.
 6. Listings which are a subterfuge for illegal goods or services are prohibited.

8. Cross Reference Listings

A cross-reference listing is a listing of the name by which the customer is commonly known to the public and includes a reference to the customer's other listed name. Cross-referencing listings may include the customer's telephone number. These listings may be provided without charge where, if in the opinion of the Company, they are essential to the convenient use of the directory or where their use will facilitate the handling of telephone calls.

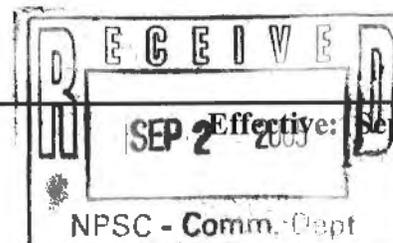

At the discretion of the Company, cross-reference or duplicate listings may be furnished without charge, as a public service, where it appears such cross-referencing will facilitate accurate and rapid completion of calls and lessening of the load of directory assistance calls, based on public habit and custom.

9. Nonpublished and Nonlisted Information Disclosure

Nonpublished and nonlisted telephone numbers including the name and address of the customer may be displayed on a call-by-call basis at Public Service Answering Points (PSAP) that are equipped with Enhanced 911 (E911) Universal Emergency Number Service.

Nonpublished and nonlisted telephone numbers may be delivered to customers of Caller Identification Service for display to those customers on a call-by-call basis, to customers who subscribe to Company offerings which require the information to provide service and/or bill their clients, to telephone customers who are billed for calls placed to or from such telephone numbers, and to entities which collect for the billed services.

3.8 CUSTOM CALLING SERVICES

3.8.1 DESCRIPTION

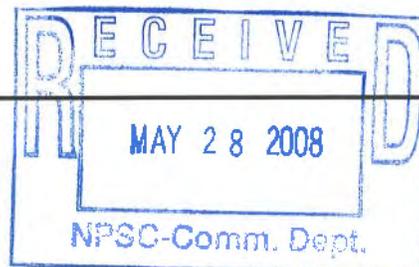

Additional Directory Number

Additional Directory Number allows as many as three Directory Numbers (DNs) to be Associated with a Subscriber line. These are referred to as the Main DN and two Auxiliary DNs. Additional Directory Number supports distinctive ringing for each of the three DNs.

Anonymous Call Rejection

Anonymous Call Rejection (ACRV) allows Subscribers to reject calls from parties who have a privacy feature that prevents the delivery of their calling number to the called party (i.e. Calling Number Delivery Blocking). When ACRV is active, the Subscriber receives no alerting for a call that is rejected; the call is routed to a denial announcement and subsequently terminated. ACRV may help to ensure the personal privacy of customers who would rather not receive calls on which the calling number is deliberately made private. This feature is offered on a flat rate subscription basis to both residential and business Subscribers.

3.8.1 DESCRIPTION (cont'd.)

Automatic Callback/ Last Call Return

Automatic Callback (AC)/ Last Call Return is an outgoing call management feature that allows Subscribers who reach a busy number to dial an activation code (*66) to call the number back when it becomes idle. When the busy number becomes idle, the calling party receives ringing and upon answer by the calling party, the feature will automatically attempt to set up a call to the previously called busy number. This feature is offered on a flat rate basis to both residential and business Subscribers.

(C)

Automatic Recall/ Continuous Redial

Automatic Recall (AR) / Continuous Redial is an incoming call management feature that enables a Subscriber to dial an access code (*69) and have a call returned to the last calling party. This feature is offered on a flat rate subscription basis to both residential and business Subscribers.

(C)

Call Forwarding-Busy Line (Overflow)

Allows a customer to have incoming calls forwarded to another predetermined number within the same central office switch if the called number is busy.

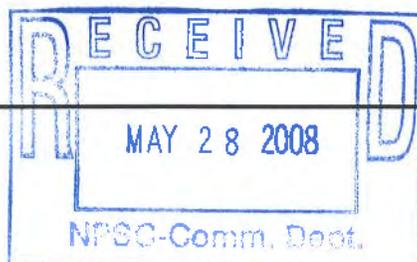

Call Forwarding - Busy Line (Overflow)/Don't Answer

Allows a customer to have incoming calls forwarded to another predetermined number within the same central office switch if the called number is busy or if the customer does not answer after a preset number of rings.

Call Forwarding/Don't Answer

Allows a customer to have an incoming call forwarded to another number within the same central office switch if the customer does not answer after a present number of ringing cycles.

3.8.1 DESCRIPTION (cont'd.)

Call Forwarding-Variable

Offers the automatic redirection of incoming calls to any alternate telephone number. The alternate telephone number is selected by the Subscriber, from the Subscriber's service location, as well as deactivation of the forwarding, from that same serving location.

Call Forwarding All Variable

Call Forwarding All Variable (CFAV) allows a Subscriber to divert all incoming calls to another directory number whether the Subscriber number is idle or busy. The CFAV activation/deactivation and forward-to-destination are controlled by the Subscriber. This feature is offered on a flat rate subscription basis to both residential and business Subscribers.

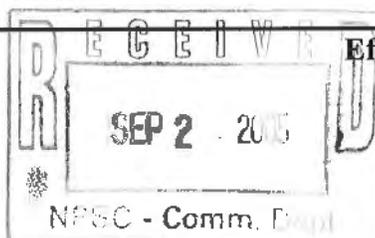

Call Forwarding Busy Line Variable

Call Forwarding Busy Line Variable (CFBLV) allows a Subscriber to activate/deactivate the CFBLV feature in order to redirect incoming calls to an alternate number if the called number is busy. This feature is offered on a flat rate basis to both residential and business Subscribers.

Call Forwarding Don't Answer Variable

Call Forwarding Don't Answer Variable (CFDAV) allows all incoming calls to a Subscriber's number to be redirected to another directory number after a predetermined number of rings. The CFDAV activation/deactivation and forward-to destination are controlled by the Subscriber. This feature is offered on a flat rate subscription basis to both residential and business Subscribers.

3.8.1 DESCRIPTION (cont'd.)

Calling Name and Number

Calling Name Delivery (CNAM) and Calling Number Delivery (CND) is a terminating CLASS feature that allows a Subscriber to receive the calling party's name and number, in cycle (i.e. before the call is answered). This feature is offered on a flat rate subscription basis to both residential and business Subscribers.

Call Waiting

Provides a tone/signal to a customer that has a call in progress, that another call has been placed to that customer's telephone number. The customer may elect to hold the first call, by use of the switchhook, and answer the second call; as well as alternate between calls by pressing the switchhook. The customer may elect not to respond to the signal, and continue the original call. In locations where the Company has made it available, Call Waiting may be deactivated prior to making an outgoing call, (or during a call if the customer has Three-Way Calling).

Find Me Service

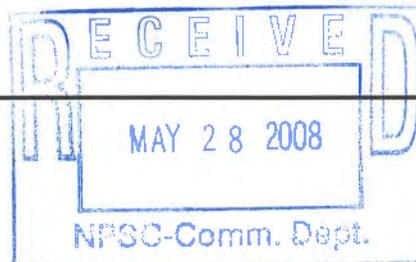

Service allows Subscribers to specify up to six (6) telephone numbers to be dialed at the same time or in succession when the specified phone number receives a call. Find Me alerts the caller that it is attempting to locate the subscriber by announcing "Attempting to locate (name here). Please stay on the line." Therefore, the caller knows to stay on the line as the service attempts to locate the subscriber.

(D)

Selective Call Forwarding

Selective Call Forwarding (SCF) allows Subscribers to program a list of 6 numbers that are to be call forwarded. The SCF Subscriber specifies the callers that are to receive special treatment by including their directory numbers on a screening list. If a call is placed from a directory number in the Subscribers SCF screening list, the call is forwarded to the designated forward-to-number. All other calls are terminated normally. This feature is offered on a flat rate subscription basis to both residential and business Subscribers.

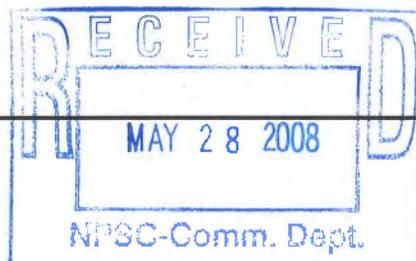

Selective Call Rejection / Call Rejection

(C)

Selective Call Rejection (SCR) / Call Rejection allows Subscribers to program a list of 6 numbers from which they do not wish to receive calls. SCR can also be used to block calls from a number after an undesirable call has been received (even without knowing the calling number). All calls from numbers contained on the list will be routed to an appropriate announcement. This feature is offered on a flat rate subscription basis to both residential and business Subscribers.

Speed Calling

Offers the customer storage of frequently called numbers, with the ability to dial the stored numbers by depressing one or two digits, rather than entire telephone numbers. Speed Calling is customer programmable, for either 8 or 30 telephone numbers, offering the customer access to change the stored list whenever it is convenient for the customer, and without service order activity.

3.8 CUSTOM CALLING SERVICES (cont'd.)

3.8.2 TERMS AND CONDITIONS

- A. Custom Calling products are available to individual line, residence or business customers that have their service provided from a central office equipped to provide Custom Calling. Individual Custom Calling Services will be provided where technically and economically feasible and where the Company determines sufficient demand exists to warrant the provision of the service(s).
- B. Due to technical limitations, customers who subscribe to Abbreviated Access, one-digit may not purchase an additional Abbreviated Access, one-digit or Speed Calling-8 number and customers who subscribe to Abbreviated Access, two-digit may not purchase an additional abbreviated Access, two-digit or Speed Calling-30 number.
- C. Control of the number assignment on the shared speed call list associated with Abbreviated Access resides with the provider. The provider must have an access line in the same central office as their customer for the purpose of controlling the speed call list. The access line will be restricted from dialing any toll calls billable to the end user.
- D. Due to technical limitations, customers who subscribe to Call Transfer and Speed Calling-8 number capacity will only have 8-number capacity available for their use.

3.10 EMERGENCY REPORTING SERVICE (911) (cont'd.)

3.10.2 TERMS AND CONDITIONS

- A. The 911 customer may be a municipality or other state or local governmental unit, or an authorized agent of one or more municipalities or other state or local governmental units, to whom authority has been lawfully delegated. The customer will have public safety responsibility to respond to police, fire or other emergency services' telephone calls within the telephone central office areas where 911 Service is provided.
- B. 911 Service is provided solely for the benefit of the customer operating the PSAP. The provision of 911 Service by the Company shall not be interpreted, construed, or regarded, either expressly or implied, as being for the benefit of or creating any Company obligation toward any third person or legal entity other than the customer.
- C. The Company does not undertake to answer and forward 911 calls, but provides facilities to enable the customer's personnel to respond to such calls (from the customer's premises).
- D. Any CPE used in conjunction with 911 Service shall be configured so that it is unable to extract any information other than the information relating to a number identified as the source of an in-progress 911 call through use of the optional ANI feature.
- E. Company Subscriber names, addresses and telephone numbers provided to a 911 system are private data and may be used only for identifying the location or identity, or both, of a person calling a 911 PSAP. SECTION NO. 3. SERVICES AND APPLICATION OF RATES AND CHARGES (cont'd.)

3.10 EMERGENCY REPORTING SERVICE (911) (cont'd.)

3.10.2 TERMS AND CONDITIONS (cont'd.)

- M. The rates charged for 911 Service do not contemplate the inspection or constant monitoring of facilities to discover errors, defects and malfunctions in the service, nor does the Company undertake such responsibility. The customer shall make such operation test as, in the judgment of the customer, are required to determine whether the system is functioning properly for its use. The customer shall promptly notify the Company in the event the system is not functioning properly.
- N. The Company's entire liability to any person for interruption or failures of 911 Service shall be limited to the terms set forth in this section.
- O. The Company's liability for any loss or damage arising from but not limited to errors, interruptions, defects, failures or malfunctions for this service or any part thereof caused by the failure to use reasonable care or for intentional acts of the Company shall not exceed the greater of \$50.00 or an amount equivalent to the pro rata charges for the service affected during the period of time that the service was fully or partially inoperative. The Company shall have no liability for any loss or damage caused by any event beyond the reasonable control of the Company. The Company shall not be liable for any consequential damages.
- P. Each customer agrees to release, indemnify, defend and hold harmless the Company from any and all loss, claims, demands, damages, expenses, suits or other action, or any liability whatsoever including, but not limited to, costs and attorney's fees, whether suffered, made, instituted or asserted by the customer or by any other party or person, for personal injury to or death of any person or persons, or for any loss, damage or destruction of any property, whether owned by the customer or others, arising out of or resulting from customer's acts or omissions.

SECTION NO. 3. SERVICES AND APPLICATION OF RATES AND CHARGES (cont'd.)

3.10 EMERGENCY REPORTING SERVICE (911) (cont'd.)

3.10.2 TERMS AND CONDITIONS (cont'd.)

- Q. The customer also agrees to release, indemnify and hold harmless the Company for any infringement or invasion of the right of privacy of any person or persons, caused or claimed to have been caused, directly or indirectly, by the installation, operation, failure to operate, maintenance, removal, presence, condition, occasion or use of 911 Service and the equipment associated therewith, or by any services furnished by the Company in connection therewith, including, but not limited to, the identification of the telephone number use by persons accessing 911 Service, and which arises out of the negligence or other wrongful act of the customers, its user, agencies or municipalities, or the employees or agents of any one of them.
- R. Because the Company serving boundaries and political subdivision boundaries may not coincide, it is the obligation of the customer to make arrangements to handle 911 calls that originate from telephones served by central offices in the local service area whether or not the calling telephone is situated on property within the geographical boundaries of the customer's public safety jurisdiction.
- S. No charge applies to the calling party for calls placed to the 911 emergency number.
- T. In addition to the recurring rates, nonrecurring charges appropriate for connection, move or change will apply to 911 transport features.
- U. It is the customer's responsibility to insure the CPE selected to operate 911 system features is compatible with service furnished by the Company.
- V. The customer purchasing the ANI feature is also required to purchase, install and maintain CPE ANI Display Equipment compatible to the Company's network.
