### TARIFF FORMAT

- A. Page Numbering** - Page numbers appear in the upper right corner of the page. Pages are numbered sequentially, however, new pages are occasionally added to the tariff. When a new page is added between pages already in effect, a decimal is added. For example, a new page added between pages 14 and 15 would be 14.1.
- B. Page Revision Numbers** - Revision numbers also appear in the upper right corner of each page. These numbers are used to determine the most current page version on file with the NPSC. For example, the 4th Revised Page 14 cancels the 3rd Revised Page 14.
- C. Paragraph Numbering Sequence** - There are nine levels of paragraph coding. Each level of coding is subservient to its next higher level:
- 2.
  - 2.1.
  - 2.1.1.
  - 2.1.1.A.
  - 2.1.1.A.1.
  - 2.1.1.A.1.(a).
  - 2.1.1.A.1.(a).I.
- D. Check Sheets** - When a tariff filing is made with the NPSC, an updated Check Sheet accompanies the tariff filing. The Check Sheet lists the pages contained in the tariff, with a cross reference to the current revision number. When new pages are added, the Check Sheet is changed to reflect the revision. All revisions made in a given filing are designated by an asterisk (\*). There will be no other symbols used on this page if these are the only changes made to it (i.e., the format, etc. remain the same, just revised revision levels on some sheets.)

- 2.18.1** The Authorized User is responsible for compliance with the applicable regulations set forth in this tariff as well as all rules and regulations of the state utility commission and the FCC.
- 2.18.2** The Authorized User is responsible for identifying the station, party, or person with whom communication is desired and/or made at the called number.
- 2.18.3** The Authorized User is responsible for providing NCIC with a valid method of billing for each call. NCIC reserves the right to validate the credit worthiness of users through available credit card, calling card, called number, third party telephone number, and room number verification procedures. Where a requested billing method cannot be validated, the user may be required to provide an acceptable alternate billing method or NCIC may refuse to place the call.

**SECTION 2 - RULES AND REGULATIONS, (CONT'D.)**

**2.19 Responsibilities of Aggregators**

In addition to the responsibilities of Aggregators in their capacities as Subscribers, Aggregators must also adhere to the following requirements:

**2.19.1** Aggregators must post on the telephone instrument, in plain view of Authorized Users,

- (A) The name, address, and toll-free telephone number of the provider of operator services; and
- (B) A written disclosure that the rates for all operator-assisted calls are available on request, and that Authorized Users have a right to obtain access to the intrastate common carrier of their choice and may contact their preferred intrastate common carriers for information on accessing that carrier's service using that telephone; and
- (C) The name and address of the enforcement division the Federal Communications Commission, to which the Authorized User may direct complaints regarding Operator Services; and
- (D) Any other information required by state or federal regulatory agencies or law.

**2.19.2** Aggregators must ensure that each of its telephones presubscribed to a provider of operator services allows the Authorized User to use "800" and "950" access code numbers to obtain access to the provider of operator services desired by the Authorized User.

**2.19.3** NCIC shall withhold payment (on a location-by-location basis) of any compensation, including commissions, to Aggregators if NCIC reasonably believes that the Aggregator (i) is blocking access by means of "950" or "800" numbers to intrastate common carriers in violation of The Telephone Consumer Protection Act of 1990 paragraph 3.4.1.B.; or (ii) is blocking access to equal access codes in violation of rules the Federal Communication Commission and/or the state Commission may prescribe.

**SECTION 2 - RULES AND REGULATIONS, (CONT'D.)**

**2.20 Customer Liability for Unauthorized Use of the Network**

**2.20.1 Unauthorized Use of the Network**

- (A) Unauthorized use of the Network occurs when: (1) a person or entity that does not have actual, apparent, or implied authority to use the network, obtains the Company's Services provided under this tariff; or (2) a person or entity that otherwise has actual, apparent, or implied authority to use the network, makes fraudulent use of the network to obtain the Company's Services provided under this tariff, or uses specific services that are not authorized.
- (B) The following activities constitute fraudulent use:
  - (1) Using the network to transmit a message, locate a person, or otherwise give or obtain information, without payment for the service;
  - (2) Using or attempting to use the network with the intent to avoid payment, either in whole or in part, of any of the Company's tariffed charges by either rearranging, tampering with, or making connections not authorized by this tariff to any service components used to furnish the Company's Services or using fraudulent means or devices, tricks, schemes, false or invalid numbers, false credit devices or electronic devices;
  - (3) Toll free callers using the network with the intent of gaining access to a Customer's outbound calling capabilities on an unauthorized basis; and
  - (4) Using fraudulent means or devices, tricks, schemes, false or invalid numbers, false credit devices or electronic devices to defraud or mislead callers.
- (C) Customers are advised that use of telecommunications equipment and Services, including that provided under this tariff, carries a risk of various forms of telecommunications fraud perpetrated by Users who gain access to a Customer's facilities, account numbers, security or authorization codes, etc. Customers must notify the Company verbally or in writing of unauthorized use or charges appearing on the Customer's bill.

**SECTION 2 - RULES AND REGULATIONS, (CONT'D.)**

**2.20 Customer Liability for Unauthorized Use of the Network, (Cont'd.)**

**2.20.2 Liability for Unauthorized Use**

- (A) Except as provided for elsewhere in this tariff, the Customer is responsible for payment of all charges for Services provided under this tariff. This responsibility is not changed due to any use, misuse, or abuse of the Customer's service or Customer-provided equipment by Users or other third parties, the Customer's employees, or the public.
- (B) The Customer is liable for all costs incurred as a result of unauthorized use of the network, including Service charges and any direct, indirect, special, incidental, reliance, consequential, exemplary or punitive damages. The Company will take reasonable steps, upon verbal or written notification that fraud has occurred, or is believed to have occurred, to assist the customer in identifying the nature and/or source of the fraud, and in terminating the fraudulent use of the Customer's service. The Company will also assist the Customer in facilitating changes in phone numbers, and assist the Customer in identifying the perpetrator(s) of the fraud for purposes of pursuing civil remedies.

**2.20.3 Liability for Credit Card Fraud**

The Customer is liable for the unauthorized use of the Network obtained through the fraudulent use of a Credit Card. The liability of the Customer for unauthorized use of the network by Credit Card fraud may be limited by state or federal law, and the Customer shall seek indemnification from the organization or company issuing such card for unauthorized use thereof.

**SECTION 3 – OPERATOR ASSISTED SERVICES, (CONT'D.)**

**3.2 Determination of Call Duration and Timing of Calls**

- 3.2.1** For Direct Dialed Calls, chargeable time begins when the connection is established between the calling station and the desired telephone, attendant board, or private branch exchange console.
- 3.2.2** Chargeable time ends when the connection is terminated.
- 3.2.3** Chargeable time does not include the time lost because of known faults or defects in the service.
- 3.2.4** The initial and additional timing periods for billing purposes vary by product and are specified in Section 3 of this tariff.
- 3.2.5** The Company will not bill for unanswered calls. When a Customer indicates that he/she was billed for an incomplete call, NCIC will reasonably issue credit for the call.

**3.3 Time of Day Rate Periods**

Rates for service are not time of day sensitive.

**SECTION 3 – OPERATOR ASSISTED SERVICES, (CONT'D.)**

**3.4 Calculation of Distance**

For services which are distance sensitive, usage charges are based on the airline distance between the serving wire center locations associated with the originating and terminating points of the call.

The distance between the originating and terminating points is calculated by using the "V" and "H" coordinates of the serving wire centers as defined by BellCore (Bell Communications Research), in the following manner:

- Step 1:** Obtain the "V" and "H" coordinates for the serving wire center of the Customer's switch and the destination point.
- Step 2:** Obtain the difference between the "V" coordinates of each of the Rate Centers. Obtain the Difference between the "H" coordinates.
- Step 3:** Square the differences obtained in Step 2.
- Step 4:** Add the squares of the "V" difference and "H" difference obtained in Step 3.
- Step 5:** Divide the sum of the square obtained in Step 4 by ten (10). Round to the next higher whole number if any fraction results from the division.
- Step 6:** Obtain the square root of the whole number obtained in Step 5. Round to the next higher whole number if any fraction is obtained. This is the distance between the originating and terminating serving wire centers of the call.

**Formula:**

$$\sqrt{\frac{(V_1 - V_2)^2 + (H_1 - H_2)^2}{10}}$$

**SECTION 3 – OPERATOR ASSISTED SERVICES, (CONT'D.)**

**3.5 Operator Services, (Cont'd.)**

**3.5.6 Description of Charges**

For operator service calls, one of the following per-call service charges applies:

**(A) Customer Dialed Credit/Calling Card Charge**

This charge applies in addition to usage charges for calls billed to a Commercial Credit Card or Calling Card when the Customer dials all of the digits required to route and bill the call.

**(B) Operator Station Charge**

This charge applies in addition to usage charges for calls placed with operator assistance, other than Customer Dialed Credit/Calling Card and Person to Person calls.

**(C) Person to Person Charge**

An Operator Assisted call which is placed under the stipulation that the caller will speak only to a specific called party, a specified extension or office to be reached through a PBX attendant. Such a call is not completed until either the specific party named by the caller is contacted, or the caller agrees to speak to a different party. The caller must arrange with the operator to make a person-to-person call; otherwise, all Operator Assisted calls will be treated as Operator Station calls.

**(D) Operator Dialed Service Charge**

This charge applies in addition to usage and per call service charges for calls when the Customer has the capability of dialing all the digits necessary to complete the call, but elects to have the operator dial the called station. The service charge does not apply to calls when operator dialing is due to technical problems with dialing or for calls placed on behalf of a handicapped person unable to dial the call.

**SECTION 4 - MISCELLANEOUS CHARGES, (CONT'D.)**

**4.5 Location Fee**

A fee may be imposed in addition to the rates and charges selected by the Aggregator. The combination of service charges, usage charges and Location Fee may be limited by the Company to comply with FCC rules and orders or to insure that the resulting rates and charges are just and reasonable as determined by the Company.

Maximum Location Fee: \$5.00 per completed call

**4.6 Bill Statement Fee**

In order to partially offset increased expenses associated with billing operator assisted calls, a bill statement fee may apply each billing period in which local or long distance collect calls are billed through a Customer's local exchange carrier or are direct billed to Customer by the Company. This fee will be charged only once per billing period regardless of the number of calls. The fee will not apply in any billing period in which no calls are billed via the Customer's local exchange carrier or by company invoice. This fee does not apply to services paid for by commercial credit card, check, money order or wire.

Bill Statement Fee, per month where applicable \$2.95

**4.7 Regulatory Assessment Fee**

This fee is applied to recover expenses the Company incurs with regard to state compliance activities. It is billed once per month in any month in which operator assisted calls are billed via the Customer's local exchange carrier. This fee is not a tax or charge imposed or required by any government entity.

Regulatory Assessment Fee, per month where applicable \$1.99

## SECTION 5 – INSTITUTIONAL CALLING SERVICES

### 5.1 Institutional Collect Operator Service

#### 5.1.1 Description

The Company provides Institutional Automated Collect Operator Service to inmates of confinement facilities. Service may be limited by the administrators of the institutions as to availability, call duration or calling scope. Calls are billed to the Called Party. The Called Party must actively accept charges for the call.

Institutional Collect Operator Service allows inmates to make collect calls to terminating locations anywhere within in the state. An automated system prompts the caller and the called party through user - friendly instructions. The called party must accept responsibility for payment of the charges by dialing the designated digit for acceptance. If a call is not accepted within five (5) seconds of the automated voice recording prompt, the automated recording is replayed a second time. If an acceptance digit is not received five (5) seconds after the second recording is completed, the call is terminated.

Use of the collect calling service is subject to the rules and regulations of the Commission and the institution's administrative restrictions.

## SECTION 7 – INSTITUTIONAL CALLING SERVICES (CONT'D.)

### 5.2 Secure Collect

#### 5.2.1 Description

Secure Collect provides an alternative payment arrangement for inmates in Confinement Institutions. This service enables end users to receive calls originating from confined persons and who cannot or who do not wish to have such calls billed through their own local exchange service provider.

A Secure Collect account is set up by the Company for the Customer who receives collect calls from an inmate in a confinement facility. Once an account is established, all collect calls from the confinement facility to the telephone number (s) associated with the account are processed real-time and posted to the account. . If the payment into the account is provided via the Customer's credit card, credit verification procedures are carried out under the terms specified in Section 2. The Company does not engage in direct monetary transactions with the inmate. Accounts may be replenished; the minimum initial deposit or replenishment amount may vary per facility standard.

Network usage is deducted from the Available Usage Balance in full minute increments on a real time basis as the call progresses. All calls must be charged against an Account that has sufficient available balance. Calls in progress will be terminated by the Company if the balance on the Account is insufficient to continue the call. Customers are responsible for contacting the Company's Customer Service Department to obtain the Available Usage Balance remaining in the Secure Collect Account. For debiting purposes, call timing is rounded up to the nearest one (1) minute increment. Usage charges are computed and rounded up to the nearest penny on a per call basis.

Available Usage Balance in the Secure Collect Account is refundable upon request by the called party. Customers may choose to have their remaining balances refunded to a prepaid card that is available for use anywhere in the continuous USA. Check or credit card refunds are available if request is within 180 days of the last customer initiated activity. After 180 days, refund requests of remaining balances will be transferred to a prepaid card and mailed to the customer. A Secure collect account is deactivated when no customer- initiated activity occurs within 180 days following the last customer-initiated transaction. The Available Usage Balance never expires and is available for usage until the balance on the account is zero.

Secure Collect Accounts are available for use 24 hours a day, seven days per week. Access to telephone service by an inmate may be subject to time of day and usage restrictions imposed by individual Confinement Institutions. No minimum service period applies.
