

PINPOINT COMMUNICATIONS, INC.\_HARLAN NAPONEE\_ATTACHMENT M  
SUPPLEMENTAL INFORAMTION - LETTER OF SUPPORT

Tuesday, September 28, 2021

To Whom It May Concern:

As a private resident and business owner in Harlan County, I am aware of the current efforts to establish a Fiber network in the region with PinPoint Communications, Inc., which will bring much-needed technology and service upgrades to our area. The continued build out of a Fiber network, such as the one that has been established by PinPoint Communications, Inc. in the more inhabited areas of Harlan County, is vital to the growth our community.

I understand the positive impact that high speed capabilities have had in similar communities in Nebraska as well as how the opportunity costs of not having this access, stresses and limits communities and residents' viability to function, compete, thrive and grow. Currently, I feel there is a lack of infrastructure and availability for advanced, high speed internet capabilities in our community, especially areas south of dam that forms Harlan County Reservoir. A fiber network would afford both the residents and businesses of the Rural Area of Harlan County the opportunities to work and learn from home as well as grow the local economy. Given the physical location of our business, we have maximized our online capabilities supporting our business operations and a network upgrade is the only impediment to the growth of our business online capabilities at our current location.

I support and encourage this partnership and ask that you please consider approving the application grant funding. The approval of the grant funding PinPoint Communications, Inc. is seeking, will afford us the ability to enhance our business operations and services to our customers, improving the overall recreational experience we currently provide. We are excited to partner with PinPoint Communications, Inc. as a customer should this grant funding be approved and the Fiber network they intend to build is completed.

Sincerely,

A handwritten signature in black ink, appearing to read "Justin J. Clark".
