RE: Application of TransCanada Keystone Pipeline, L.P.: Docket No. OP-0003

Dear Mr. Effken,

The State Fire Marshal Agency received your correspondence requesting the Agency review the TransCanada Keystone Pipeline proposed route application. The Agency has reviewed the Application Material supplied by TransCanada Keystone Pipeline and determined that this interstate pipeline will be non-jurisdictional to the Agency. The proposed pipeline will cross some pipelines that are jurisdictional to the Agency. At the time of these crossings the Agency may monitor the progress, but does not see this as an issue for the Agency. As such the Agency does not foresee any issues or a budgetary impact to the Agency.

If you have any further questions please contact me.

Sincerely,

A handwritten signature in blue ink that reads "Jim Heine".

Jim Heine
State Fire Marshal
