Nebraska Public Service Commission

RE: Nebraska Broadband Bridge Program/Capital Projects Fund

I am writing in support of Vista Beam's (Incentive Wireless of Nebraska, LLC) proposed broadband deployment project in Broadwater, Nebraska. The proposed project would result in the Broadwater, Nebraska community having access to high speed internet at 100/100 Mbps.

I own and operate several Airbnb properties and find my guests needing dependable internet service during their stays.

Thank you for your consideration.

A handwritten signature in blue ink that reads "Marlene Yeager". The signature is written in a cursive style with a large initial "M".
