RE: Inventive Wireless of Nebraska, LLC dba Vistabeam
PO Box 2231
Scottsbluff, NE 69363-2231

To Whom It May Concern:

Please be advised that Platte Valley Bank considers Inventive Wireless of Nebraska, LLC dba Vistabeam, and its principal, Matt Larsen, valued customers.

Platte Valley Bank has done business with Vistabeam and its principal in the past, and based on our long-standing relationship with Vistabeam, we are in support of Vistabeam's Nebraska Capital Project Fund grant applications for the planned project locations such as Cheyenne County, Garden County, Sioux County, and the towns of Kimball, Lyman, Morrill, Scottsbluff and Sidney.

If awarded, the projects would bring these areas broadband connectivity and provide residents with access to high-speed internet. We look forward to continuing our partnership with Vistabeam as it implements these projects, and value the potential services provided to our western Nebraska communities.

If any additional information is needed or any questions arise, please feel free to contact me at (308) 633-9038 or jmarshall@pvbank.com

Sincerely,

John D. Marshall
