Re: Nebraska Broadband Bridge Program / Capital Projects Fund

I am writing in support of Vistabeam's (Inventive Wireless of Nebraska, LLC) proposed broadband deployment project in Oshkosh, Nebraska. The proposed project would result in the Oshkosh, Nebraska community having access to high-speed internet at 100/100 Mbps.

I am a current customer of Vistabeam and am very happy with the service I receive from them. I have not had any problems since I started using them. I feel it would be a great benefit to the City of Oshkosh if they were all able to use Vistabeam as their internet supplier.

Thank you,
