

ATTACHMENT M

Note regarding FCC Form 477

With regard to Section I, Item 15 on the application form, "Does the applicant currently report through FCC Form 477 speeds of at least 100/100 Mbps provided to customers within the State of Nebraska?", please note that due to recent speed upgrades, this is true and will be reflected in the August 1, 2022 filing covering the period ending on June 30, 2022.

Please visit <https://vyvebroadband.com> and enter zip code 68920 to confirm our current NE service offerings.
