

**NEBRASKA PUBLIC SERVICE COMMISSION
ELECTRIC TRANSMISSION LINES COMPLETION NOTICE**

002.07

PURPOSE
<p>Any person, corporation, association, or company who, or which, has been authorized by the Commission to construct, operate, and maintain an electric transmission line having a voltage of over seven hundred (700) volts shall file a completion notice with the Commission as soon as the proposed line is constructed and ready to be energized.</p> <p>This form, fully completed and forwarded to the Commission, will serve as the notice of completion.</p> <p>If an electric transmission line construction authorized by order of the Commission has not been entirely completed within twenty-four (24) months from the date of the order, and if the time for construction has not been extended by order of the Commission, the authorization for the portion of the line not completed shall be cancelled forthwith. An application for an extension of time will be considered by the Commission upon a request from applicant showing good cause for such extension.</p>
